Special Board Meeting, 12:00pm

In attendance: Board Members by phone Jessica Oswald, Jesse Biesterfeld, Kylee Schuh, Jason Gregoryk, and Troy Speten, Superintendent Andrew Jordan, and in the office Business Manager Jenna Kirchmeier.

Superintendent Jordan received a bid on the portable from Ethan Waddinton for \$6500.00. Superintendent Jordan highlighted the input received from the January 21 Planning Committee. The Planning Committee would like to receive more of a return on the investment. Ideas were to remove the storage items, clean it out, and determine next steps. The portable was purchased in 2021 for \$185,000, which included moving of the portable to Wilton. Discussion about calling Satellite Shelters, Inc. to see if they would buy it back from us.

Gregoryk/Biesterfeld moved to deny the bid that was received. Roll call vote: Speten - yes, Gregoryk - yes, Biesterfeld - yes, Schuh - yes, Oswald - yes. Motion carried.

Meeting adjourned at 12:08pm
