Dear Parents and Guardians,

We thank you and your family for your partnership as we work together to educate the children in Roxana CUSD #1.

On October 3, 2025, your child(ren) will be asked to take a brief survey, which will take 20-25 minutes to complete. The survey will ask students about their social-emotional competencies and well-being, and the support they feel in their educational environment.

Students in grades 3-12 will take this survey each year in the fall and spring to assess progress and to measure their growth in the areas that may include self-awareness, self-management, self-efficacy, grit, emotional regulation, sense of belonging, and growth mindset. The survey results will be used to identify and support social-emotional learning, which will help us ensure that our instructional approach is supporting all facets of a student's growth during their time in Roxana.

Parents and guardians may opt their child(ren) out of these surveys for the 2025-26 school year by contacting the RJHS office at 618-254-7561 prior to October 3, 2025.

If you have questions about the survey, please feel free to reach out to Steve Oertle, Assistant Superintendent via email at steve.oertle@rcusd.org or by phone at 618-254-7585.

Yours in education,

David Oestreich
