New Skyward Parent Access

Dear Parents and Guardians,

We've switched to a new version of our **Skyward Parent Access** system. This updated system will eventually be easier for everyone to use. Since it is new to all of us, we may encounter a few issues. Thank you for your patience during this time as we all learn together.

You can now log in using the email address and password you have on file with the school.

You'll find the login page on both the district and junior high school websites. Simply look for the **Parents** menu and click on **Skyward Parent Access**.

If you have any trouble logging in, please contact the school office.
