CONNECT ■ DISCOVER ■ CREATE

Dear First Grade Families,

Our library staff was so delighted to welcome your child to the library for their recent class visit! It was a joy to introduce them to all that the library has to offer and especially exciting to present them with their very first library card! Each child borrowed one book from the library during their visit.

With this new card, your child now has access to a world of books, resources, and opportunities for discovery. You can review borrowed items, place holds, and manage your account anytime by visiting our website at wyckofflibrary.org or by downloading the BCCLS App, which also allows you to conveniently use a digital version of your library card.

We invite you to visit our website regularly to learn about upcoming programs and events for children and families. From storytimes to special activities, there is always something happening at the library to inspire young readers and learners.

We look forward to working with your child and your family as a partner with our local schools to support and encourage a lifelong love of learning and curiosity.

Please do not hesitate to reach out with any questions or concerns. We look forward to seeing you and your family at the library again soon!

Warm regards,

Laura Leonard, Library Director
Denise Marchetti, Children's Library
Susan Valenta, Circulation Supervisor
