

Project Overview

The Wayne County Board of Education is seeking bids from qualified contractors for the removal of existing football field lighting and poles and the installation of new lighting infrastructure at **Tolsia High School**, located at **1 Rebel Drive, Fort Gay, West Virginia**.

Project Location

- **Site:** Tolsia High School Baseball Field
- **Address:** 1 Rebel Drive, Fort Gay, WV

Scope of Work

The contractor shall furnish all labor, materials, equipment, and incidentals necessary to complete the following work:

1. Removal of Existing Equipment

- Remove and properly dispose of all existing light fixtures, poles, wiring, and associated components currently serving the baseball field.
- Removal shall be performed in a safe and workmanlike manner, minimizing disruption and damage to surrounding facilities. District will assist with removal.

2. Installation of New Poles

- Furnish and install **eight (8) new 65-foot wooden light poles**.
- Poles shall be installed plumb and in accordance with manufacturer recommendations and applicable codes and standards.
- Contractor shall be responsible for all excavation, setting, backfilling, and site restoration related to pole installation.

3. Lighting and Mounting Hardware

- Furnish and install all required light fixtures, mounting brackets, crossarms, and related hardware on each pole.
- Lighting equipment shall be suitable for outdoor athletic field use and designed for baseball field illumination.

4. Electrical Work

- Provide and install all wiring, conduit, grounding, and electrical components necessary for a complete and operational lighting system.
- Make all electrical connections required to place the system into full operation.
- All electrical work shall comply with applicable national, state, and local electrical codes.

5. Testing and Commissioning

- Test the completed lighting system to verify proper operation.
- Correct any deficiencies identified during testing at no additional cost.

Bid Requirements

- Bids shall be submitted as a **lump sum price**.
- The bid price shall include **all labor, materials, equipment, permits, fees, and incidentals** necessary to complete the project as specified.
- No separate or additional charges will be allowed unless specifically identified in the bid and approved by the Board.

Contractor Qualifications

- The contractor must be **properly licensed to do business in the State of West Virginia**.
- The contractor shall be experienced in similar lighting and pole installation projects.
- Proof of licensing and any required insurance shall be provided upon request.

General Conditions

- The contractor shall comply with all applicable federal, state, and local laws, codes, and regulations.
- Work shall be coordinated with school officials to minimize disruption to school activities.
- The contractor is responsible for jobsite safety and for maintaining a clean work area.

Owner's Rights

- The **Board reserves the right to reject any and all bids**, to waive informalities, and to accept the bid deemed to be in the best interest of the Board.
- Award of the contract is contingent upon approval by the Board.

Questions and Clarifications

- Any questions regarding this specification shall be submitted prior to bid submission in accordance with instructions provided by the Board.

The Board is supplying the brackets and the lights for installation. The contact person is Matt Stanley, Director of Buildings and Grounds, lmstanle@k12.wv.us. Bids will be accepted until February 24th at 4 p.m. Bids should be submitted in a sealed envelope to PO Box 70, Wayne, WV 25570 Attention: Matt Stanley.
