

Course Descriptions

Art: This course introduces the students to drawing, design, painting and a variety of material along with terminology, history and the value of art in everyday life. (Semester)

Band: For beginning and experienced players, students will perform a limited number of times during the school year. Having your own instrument is not a requirement. (Full Year)

Choir: Vocal instruction and performance class. Students will perform a limited number of times during the school year. (Full Year)

Guitar: A beginning guitar course of the fundamentals of playing the guitar. Emphasis on playing chords and melodies. Guitars are provided for classroom use. (Semester)

Music: Students will learn to read, play, and enjoy various kinds of music. They will be introduced to music history as well as a variety of instruments and composers. As they study each topic, students will develop a basic foundation of music literacy. (Semester)

Theater: This course includes singing, dancing, and acting. Students will prepare and perform a musical production for the school and community. There will be one winter performance and one spring performance. (Full Year)

Technology: This course will teach but is not limited to, the fundamentals of technology with a focus on Google Docs, typing proficiency, project-based learning, critical and creative thinking, and responsible online behavior. (Semester)

World Language: Students will learn about the history, food, holidays and art of various countries and will gain basic conversation skills. (Semester)
