The Denmark Elementary schedule for specials operates on a 5-day rotation. This rotating cycle eliminates the problem of students frequently missing their special classes such as Art, Music, Phy. Ed, Library, Spanish and computer time. It is important to keep track of the rotation days so that all students are prepared for the scheduled specials, i.e. wear sneakers on Phy. Ed days, or when to bring library books to school.

If your child has Mrs. Kurtzbach, Mrs. Deprez, or Mrs. Senecal for a teacher, their class will be split up and go to specials with one of the other grade level classes. Your child should come home with more information about this the first few days of school.
