MONTHLY TRAIT: KINDNESS AND COOPERATION

The Student Recognition Committee is focusing on **Kindness** and **Cooperation** during February, as these values help us build a school community where children feel respected, supported, and where **EACH** person **BEE**longs at GES.

IMPORTANT REMINDERS

Attendance is the single best way to **improve academic achievement!** Students should be in school everyday, on time (**8am**), unless they are sick with the following: fever, vomiting, or diarrhea. There is so much learning that happens everyday!

GES ACTIVITY HIGHLIGHTS

Last week our Kindergarten's took to the red carpet for the **ABC Fashion Show**. Each Kindergarten represented each letter with **flash and flare!** There were smiles all around as students, parents and teachers watched our Kinders!

Family Art Night is coming!

Mark your calendars for **February 19th from 6-7pm** to join us in the cafe' for creating art projects with your family.

We look forward to seeing all of you!

Get Involved...

The **Gervais Elementary Parent Teacher Club** was formed to build stronger school-family partnerships and provide more ways to get involved in school. They meet the **1st Tuesday of each month at 6:00 PM** in the **GES library**. All are invited to participate. Please follow their Facebook page for more updates: "[Gervais Elementary Parent Teacher Club](#)".

Student Recognition

Our recent **GES Student Recognition character trait for the month of January** honored students who have been awesome examples of **Perseverance** in and out of the classroom. Thank you teachers and students for embodying and modeling perseverance. Each student's name was read over the intercom and certificates were given to each student by the principal.
