At Keshequa Elementary we nurture and inspire students to become well-rounded citizens by fostering integrity while instilling a love of learning and bringing out the best in each child.

January 2026

Dear Families:

I am happy to announce that the Keshequa Central School District will again offer the Universal Pre-Kindergarten program in the coming school year. The program will begin in September 2026 and children who will be 4 years of age by December 1, 2026 are eligible to apply. We will be offering a full day session from 8:00am-2:30pm daily in the Keshequa Elementary School and students will be eligible to ride district transportation to and from school once they have turned 4 years old.

Our district census indicates that your child will be eligible for UPK in the fall and we are preparing to schedule our screening for next year's UPK classes. Please contact the Registrar's Office at (585) 468-2900 ext 2012, and ask to pick up a registration/enrollment form for your incoming UPK student. Complete that and return it to the Keshequa Registrar Office by March 14th with a copy of your child's birth certificate and proof of residency. If you have an alternative educational plan for your child, such as home schooling, private schooling or other public schooling or if you plan on delaying their entrance for an additional year, please indicate your intentions on the enclosed enrollment questionnaire and return it to the Elementary or Registrar's Office by March 14th.

We will be holding an Informational Night on Thursday, April 30 from 5:30-6:30pm in the Dalton Cafetorium and screening will be held later in the spring. We will be providing more detailed information about our program as well as scheduling screening times during the informational night. If you cannot attend that meeting, please return the enclosed screening questionnaire and indicate whether you would prefer a morning or afternoon time slot for your child's screening and return it with your enrollment packet. We will try our best to accommodate your preferences. You can expect to receive a letter towards the end of April indicating your child's screening time along with information about any documents that you will need to bring with you on that day.

If you have questions, please contact my office at 468-2900, Ext. 6136. We are looking forward to meeting you and your child this year.

Mail completed forms to:
Keshequa Elementary Office
PO Box 517
Nunda, NY 14517

Sincerely,

Lisa Farina
Elementary School Principal
