Must be completed for **every student** by
September 18, 2026.

Device Protection Plan Payment is due by September 15th

MENU

Picture Day: Wednesday,
September 2nd

Welcome to our new families and the
Class of 2033 to OMS & LPHS!
We are so happy to have you!

Thursday, September 10
@ 4:30 - 6 p.m.

Back-to-School Night

Join us to walk your student's schedule, meet their fabulous teachers, and touch base as the school year begins!

Mrs. Romine will be providing a short training on how to use our school learning management system, Toddle! Parents will learn how to see student homework, check their grades, and get grade reports.

We hope you can make it!
Please reach out to Mrs. Romine with any questions

Beginning September 15th students in Grades 6-10 will be taking the MAP test. MAP stands for the Measures of Academic Progress. Students will be taking the MAP test in the areas of reading, math, science, and language usage.

All parents should ensure they are connected to Toddle.

This is the system OMS & LPHS uses as the student's Learning Management System. (This is how you can access your students' assignments and progress reports, etc.)

Weekly grade reports will be sent out on Tuesdays via Toddle accounts.

If you have previously been connected, you are good to go!

If you need need access, you should have received an invitation email this week. Thank you for your patience while we worked through a technical issue.

Please do not hesitate to reach out with any questions.

MEDICATIONS

If your child needs to take or carry medication during school hours, you must submit the appropriate completed forms:

- For All Medications (Prescribed & Over-the-Counter):
 - Must be provided in its original container.
 - Standard Administration: Physician's Order for Dispensing Medication & Designations forms.
 - Self-Administration: Montana Authorization to Carry and Self-Administer Medication.

⚠ CAUTION: If your student is carrying any over the counter medications in their backpacks - the bottom form above must be completed. **This includes everyday items like cough drops, aspirin, and throat lozenges.**

Important Note: All medical forms and permissions must be updated and resubmitted yearly.

Picture Day: Wednesday, September 2nd

No preorder is necessary. Families will receive an email from Origin Imagery once proofs are ready! Each family will choose their yearbook photo and have the opportunity to purchase pictures.

Attendance

- **Advance Notice Absences:** It is very helpful to notify the school in advance of any planned absences.
 - Filling out and submitting a Green Sheet is required prior to the absence.
- **Day-of Absences:** If a student is absent unexpectedly, please report it to the office using one of the following methods:
 - Email the office directly.
 - Call the office phone lines (please leave a voicemail if there is no answer).
- **Doctor & Medical Visits:** If your student misses school due to a medical appointment (doctor, dental, PT, counseling, eye) please ask for and submit the visit note to your student's office.

Friendly Reminder: BSSD is Phone and Smart Watch Free.

Students can place phones or watches in their designated phone locker cubbie or leave them in their vehicles. Phones are not to be on their persons or in their backpacks. Thank you!!

If you are interested in being a Student Council representative, please submit a 30 word or more paragraph about why you would make a great class representative to Dr. Brooke by Thursday, September 3. Elections of 4 representatives per grade will happen Wednesday, September 9, during Advisory.

Middle Schoolers working hard
their first week!

6th Grade History

7th Grade Math

NEVER
STOP
LEARNING

All OMS students will be using
Student Planners and have a
designated Homework Folder.
We are excited to use these
tools for success with the
students!

LPHS Football: Bye Week

Staff Spotlight

Miss Legg

High School Science

Hi! I'm Miss Legg, the new high school science teacher. In my class, we'll do a lot of fun hands-on activities and spend time outside.

You might even get to try my famous chocolate chip cookies on a test day. Outside of school, I enjoy playing rugby, lifting weights, and reading. I'm looking forward to a great year at Lone Peak High!

BSSD welcomes Clevan Thomas Jr (CT) to the staff as wellness coordinator for LPHS students and BSSD Staff. CT is former MSU Bobcat record setting receiver, SEC all conference football player for the University of Kentucky, certified personal trainer, owner of 406CT and LPHS football coach. In his role with the district, CT will be working with faculty, staff and students on strength and conditioning, speed, setting and achieving wellness goals and appropriate techniques for injury prevention and lifelong physical engagement. We are thrilled to have someone of CT's experience to work with the BSSD school community to truly impact how life is lived.

Clevan Thomas Jr (CT)

High School Football
Wellness Coordinator
