Parent-Teacher Conferences

If any changes need to be made, please contact Mrs. Romine at aromine@bssd72.org.
The signups have been closed so teachers have time to prepare for conferences.
We cannot wait to see you!

OMS students MAST tested again this week. In an effort to minimize the loss of instruction time, MAST testing will be completed during Study Skills on Monday for the last time next week. (8A will test on Tuesday mornings, still during Study Skills.)

Thank you to all that attended the Veterans Day Assembly to show our gratitude to our military veterans.

LPHS CAS Hours Opportunity:

Big Sky Generations is a volunteer opportunity to connect with senior members within our community. There will be three projects throughout the year where students can connect and help seniors. The projects include holiday decorations, post-holiday decoration removal as well as a series of a few support letters.

Reach out to Sophie, Pearl or Catherine about any questions you may have. Additionally, methods of transportation can be organized and provided for anyone without a license or in need of a ride.

Student of the Month

October

OMS Miner
Jack Smith

Jack is a reliable, hard-working student who consistently sets a great example for his peers. He gives full effort in everything he does, takes initiative, and handles his responsibilities with integrity. Beyond his strong work ethic, Jack is kind, funny, and a genuinely positive presence in our school.

We celebrate growth, determination, and good citizenship. Our updated Student of the Month program honors students who attend regularly, try new activities, work hard, and help make our school a better place.

LPHS Bighorn
Landon Cohen

Landon has been a fantastic addition to our school community. He's thoughtful, hard-working, and never satisfied with just skimming the surface—he genuinely wants to understand the material at a deep level. Just as importantly, Landon treats both his peers and teachers with consistent respect and kindness, setting a great standard for those around him.

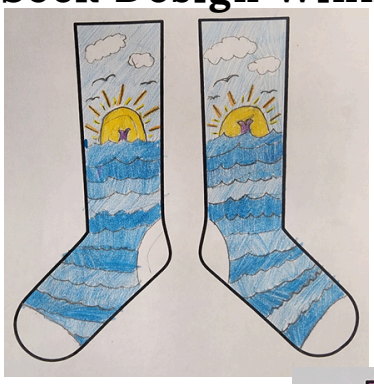

Thank you to all the familes that donated to our NHS Food Drive!

A Little Refresher — How Does the Booster Club Work?

The LPHS Booster Club raises funds to support ALL Lone Peak High School athletic teams!

1. Coaches identify needs that aren't covered by the school's athletic budget.
2. Coaches submit their requests through the Athletic Director.
3. The Athletic Director presents those requests to the Booster Club Committee.
4. Our committee uses a rubric to review each request and determine whether funding is approved.

What Does Your Money Support?

Thanks to our members and sponsors, we've helped fund:

- TRACK HURDLES & TIMING SYSTEM
- SOCCER GOALS
- ATHLETIC TRANSPORTATION
- OUR ATHLETIC TRAINER!

REGULAR TICKET PRICES

Adults: $8 **Students: $5**

Big Sky students: FREE admission to ALL home games!
