

Hazlet's American Hero Project

Hazlet currently has 28 actively serving military personnel. We, as a town, are planning on sending each of them a care package for the Holiday season. I will be shipping out the packages during the first full week of December, so that they can get to our troops in time! We will be collecting final donations by 11/29, to pack them up and mail them out to our men and women for Christmas.

Donation wish list (as per my son and his base mates) is as follows:

Amazon gift cards (all have gotten $100 in each mailing, but any amount is appreciated)
Laundry Detergent Pods or Laundry Sheets (Tide or Gain etc)
Fabric Softener sheets
Men's Deodorant
Triple blade razors
