

September 2026

5 th Grade	Matthew G - Matthew is a wonderful addition to our 5th grade classroom and has made an excellent transition into the school year. He comes to school each day with a smile and a positive attitude. Matthew consistently follows classroom rules, participates actively in class, and takes pride in completing and submitting his work on time. He is also a kind and helpful classmate who is always willing to lend a hand to others. We are so proud of Matthew and all that he has accomplished this September. Congratulations, Matthew!
5 th Grade	Vivian T - Congratulations to Vivian, our Student of the Month! Vivian is a quiet, studious student who approaches each day with focus, determination, and a genuine eagerness to learn. She takes her time with her work and consistently shows great care and pride in everything she does. Vivian is always prepared, ready to participate, and takes pride in being an active part of our classroom community. Her cheerful attitude, thoughtful nature, and commitment to doing her very best make her a wonderful role model for her classmates. We are so proud of Vivian and all that she accomplishes!
6 th Grade	Madeline S - Madeline ended last year with outstanding final grades, and she's already showing an intention to repeat that academic excellence this year in 6th grade. Her assignments in all her classes are done on time, with care, and with a level of quality that puts her among the top performers in her class. Madeline's excellence extends into her relationships with classmates and teachers as well; her calm, controlled, and consistently positive personality serves as both a model and an inspiration to those with whom she interacts. Finally, her respect and concern for others is the embodiment of Cove Road's motto for students to "Be the Good". Congratulations, Madeline!
6 th Grade	Steven S - Steven is another student who's made it clear he intends to continue, and possibly surmount, the excellence he achieved last year in fifth grade. His early grades and behavior in all classes put him at or near the top of all his classes. He puts great effort into all his assignments and manages to balance that effort with the demands that Hazlet Hawks football puts on him each week throughout the first marking period months. Add to that the manners and respect he regularly shows to all around him, and it's easy to see why Steve's receiving this award. Here's to another fantastic year, Steven; keep up the great work!
