Students of the Month

The Renaissance Committee is proud to Announce that the Students of the Month of October are:

Daniel Adeniran and Greg Aronne

Daniel Adeniran (10) - Daniel has come so far this school year in just a short amount of time. He is communicating so well with staff and his peers. He is very helpful and holds the door open for everyone without being asked. He is kind and encouraging to his classmates. I am VERY PROUD of him!

Greg Aronne (12) - Greg is always ready to lend a hand and works very hard. His grades are excellent and he balances classes and after school

activities effortlessly. Greg sets a wonderful example to his peers.
