January 5, 2026

Dear Parents/Guardians,

I would like to welcome you to the Hazlet Township Public School District as you prepare to enroll your child in kindergarten. Our commitment to provide an optimal educational program for your child begins with our state-of-the-art full day kindergarten program and culminates at our comprehensive high school. We look forward to the beginning of a long-term partnership in best serving the educational needs of your child.

If your child attends **preschool at Sycamore Drive ECLC, he/she will automatically be registered** for kindergarten. *You do not need to re-register your currently enrolled child.*

IN ORDER TO REGISTER YOUR CHILD, HE/SHE MUST BE FIVE YEARS OF AGE ON OR BEFORE OCTOBER 1, 2026. **NO EXCEPTIONS CAN BE MADE.**

A Realtime Registration link Realtime Pre-Registration will bring you to the district pre-registration portal, where you can complete all required data for your student and upload the mandatory required documents. While registering you will need to select a grade. Please select grade level **KF** for Kindergarten. Once you have completed the pre-registration you will receive an email from Realtime (noreply@realitinc.com) with document upload instructions.

Recent proof of residency in Hazlet is required before the child starts school, as follows: One of the following: property tax bill, mortgage statement, deed, contract of sale, lease, signed letter from landlord and other evidence of property ownership, tenancy or residency. AND Three of the following: utility bills, driver's license, financial account information, delivery receipts, voter registration, permits and other evidence of personal attachment to a location.

A completed physical form- We realize that well visits are scheduled once a calendar year, so you may only have last year's physical at the time of registration. If this is the case, you must submit last year's physical. (File size cannot exceed 25 MB).

After review of your pre-registration information Mrs. Chionchio will contact you to schedule an in-person appointment to provide your **child's original birth certificate.** No copies may be accepted per district policy. If you have any questions, please call 732 264-2180 Ext. 8001

Information about Right at School Before and After Care services for kindergarten students can be found on their website. Right at School

KINDERGARTEN IMMUNIZATIONS

The New Jersey State Department of Health mandates the following immunizations for all students entering kindergarten:

DTaP	Diphtheria, Tetanus, Pertussis	4 doses, with one dose given on or after the 4th birthday, or any 5 doses
IPV	Polio	3 doses, with one dose given on or after the 4th birthday, or any 4 doses
MMR	Measles	2 doses of a live measles-containing vaccine on or after the first birthday, separated by an interval of one month Laboratory evidence of immunity is acceptable.
	Mumps	1 dose on or after the first birthday
	Rubella	1 dose on or after the first birthday
		OR 2 doses of MMR vaccine
		Since single antigen (separate component of Measles, Mumps and Rubella) vaccines are not readily available, most children will have 2 doses of the MMR vaccine.
Varicella	Chicken Pox	1 dose on or after the first birthday Documented (written) proof of the disease from a parent or physician or laboratory evidence of immunity is acceptable.
Hep B	Hepatitis B	3 doses of Hepatitis B vaccine, or any vaccine combination containing Hepatitis B virus.

The District highly recommends that all children receive the Mantoux test on or after their 4th birthday.

At the time of registration, proof of immunizations must be presented, unless the parent submits a certificate signed by a physician that the immunization is medically contraindicated for a specific period of time for the pupil, or unless the parent or guardian objects in writing to the immunization procedure on the grounds that the proposed immunizations conflict with the pupil's free exercise of their religious principles.

All immunizations must be completed prior to the first day of school. A complete physical examination for each five-year old student is required prior to the beginning of the school year.

If you have any questions, you may call the school nurse (732) 264-2180. Ext. 8003.

Welcome to the Hazlet Township School District!

Sincerely,

Scott Ridley, Ed.D.

Superintendent of Schools
