- » Project Approvals and Financial Assistance have been received from the Department of Education. They have been approved because...
- » We are funding the projects through a **REFERENDUM**
- » They are tied to **EDUCATION OR MAINTENANCE**
- » **25.7% OF DEBT SERVICE AID** is **APPROVED** for eligible projects for Norwood Public Schools.
- » Debt Service Aid from the state helps to pay down the bond and this helps reduce the impact on the taxpayer.

# » PROJECTED COSTS - THE FACTS

**TAXES WILL NOT GO UP  
AND DEBT SERVICE WILL  
ACTUALLY BE REDUCED**

- » *Current Debt Service Aid Calculations are APPROVED as noted.*
- » All costs projections are based on an assumed a 4.1% interest rate over a 20-year term.
- » **The District is intent upon being fiscally responsible with this Referendum and made every effort to deliver a Net Neutral / ZERO TAX IMPACT scenario.**
- » **Ultimately, through their work with the Architect, Bond Counsel, and Financial Consultants, the Board of Education was able to include all of the needed scope and actually deliver a TAX REDUCTION to the taxpayers of Norwood.**
