To Whom It May Concern:

A.C. Reynolds High School is seeking approval to replace our existing baseball scoreboard, which is more than 20 years old and has become increasingly unreliable during baseball games. Although we have replaced numerous panels and sections of wiring over the years, the scoreboard continues to malfunction during some of our games.

The total cost of the new baseball scoreboard is **$32,284.39**, with an additional **$10,000.00** for installation, bringing the total project cost to **$42,284.39**. Pepsi has generously committed a $15,000 donation toward the purchase in exchange for having its logo displayed on the scoreboard for five years. Additionally, we have secured three other sponsors, and our Athletic Booster Club has sufficient funds in its account to cover the remaining balance of **$27,284.39**.

Both our Athletic Booster Club and our School Improvement Team have approved the purchase of the new scoreboard. Our goal is to have the new scoreboard installed and fully operational by mid-February 2027 in preparation for the upcoming baseball season.

To meet this timeline, we would like to begin the purchasing process as soon as possible and proceed with signing the agreement with Nevco for the new scoreboard.

Thank you for your assistance in helping us move this project forward in a timely manner. We appreciate your support in ensuring that our baseball program has a reliable, updated scoreboard for our student-athletes and community.

Sincerely,

Steve McCurry
Assistant Principal / Athletic Director
