Memorandum

Date: Thursday, September 3, 2026

To: Buncombe County Board of Education Members

From: Ron Venturella, Purchasing Officer & Risk Control Manager *R Venturella*

Subject: T.C. Roberson High School – Athletic Capital Outlay Request – Stadium Sound System

T.C. Roberson High School is requesting approval to purchase a stadium sound system using athletic capital outlay funds.

This sound system will be purchased and installed by Camcor, Inc. who provided the lowest quote including accrued sales tax and freight, with a total purchase price of \$22,896.98; and has confirmed they will honor that price through September 10, 2026.

Per Mr. Nathan Allison's attached memo, he and the T.C. Roberson High School Parent Advisory Council approve purchasing the stadium sound system using athletic capital outlay funds.

Mr. David Ball, District Athletic Specialist, Mr. Jeremiah Jackson, Technology Services Director, and Mr. Clark Wyatt Facilities and Maintenance Director have reviewed the documentation for this request. They support T.C. Roberson High School's athletic capital outlay request as submitted.

Pursuant to Buncombe County Board of Education Policies 6430-R (State Purchasing Requirements for Equipment, Materials and Supplies) and 6440 (Local Purchasing Requirements for Equipment, Materials, and Supplies), the Purchasing Department verifies the purchasing requirements for the T.C. Roberson High School athletic capital outlay request has been satisfied.

Recommendation: Approve T.C. Roberson High School's request to purchase stadium sound system using athletic capital outlay funds.

Attachments: Memo from Mr. Nathan Allison, T.C. Roberson High School Principal
Quotes: Camcor Inc., Pisgah Audio Video Lighting, Paramount Security Consultants LLC

To Whom It May Concern:

This letter is to state that TC Roberson High School would like to use school funds for Athletic Capital Outlay for the purchase of a stadium sound system.

We will be using the quote from Camcor, Inc. in the amount of \$22,896.98. The full amount will be reimbursed by TC Roberson school funds. Included are the quotes for the sound system.

The TC Roberson Advisory Council has approved the use of these school funds for the purchase of the stadium sound system.

Sincerely,

A handwritten signature in black ink, appearing to read 'Nathan Allison', followed by a long horizontal line extending to the right.

Nathan Allison
Principal

The following are to be the responsibility of others or billed separately from this proposal, unless otherwise specified herein:

Regulated 120VAC; UPS or generator power; suitable equipment mounting space; roof penetrations; network drops, ports, or termination/punch down of patch panels and IP addressing; all cable provided by customer must be terminated on both ends; suitable Internet Service (ISP); POTS telephone lines; conduit & pathways; hardware; drywall/ceiling patching, repair and/or painting; free parking for service vehicles; required man lifts; applicable sales taxes; normal business hours access to the work area; and interfacing, programming and testing of "other" building controls, such as parking, lighting or HVAC; 120VAC outlet to be terminated directly to alarm panels on dedicated circuits. Warranty terms are 90 days on labor and 1 year on equipment from the time of completion; Manufacturers Warranty excluded from this coverage.

Credit Card payments will be charged a 3.5% processing fee.

All Service calls are billed at a 2 hour minimum.
