IB PROGRAM
IB Parent Night
November 4th

Dear SVHS Families,

October flew by, and the end of the semester is quickly approaching! As we enter the final weeks, I encourage you to stay connected to your student's academic progress via ParentVUE. If you have questions or concerns, please reach out directly to your student's teacher at their @scottsvalleyusd.org email address.

October was filled with exciting moments on campus! Students enjoyed a four-day weekend, participated in a lively College and Career Week, and took part in a Halloween costume contest together. We also had the wonderful opportunity to welcome several Chilean exchange students and share our school and community with them. A big congratulations to all of our fall sports teams as they close out their season. Girls Tennis and Cross Country have their league finals this week, and Football has their last regular-season game this weekend. A huge congratulations to our Girls Golf team, who were the league champs for the 8th year in a row! Winter Sports are beginning this week, so please have your student tune in to the announcements or our website for tryout times and details.

As we look ahead to November, we will celebrate several holidays and recognize Indigenous Heritage Month. We will take time away from school to honor our veterans on Wednesday, 11/11, and enjoy a week-long Thanksgiving break. This season is a wonderful reminder of all we have to be thankful for, and here at SVHS, we are especially grateful for the opportunity to work with the amazing students of Scotts Valley each day. We are also deeply appreciative of our dedicated volunteers, supportive families, and engaged community members who make our school such a special place.

Thank you for being part of the SVHS community. I hope you and your families enjoy a wonderful holiday season filled with joy, gratitude, and meaningful time together!

Warmly, Joe Allen
