IB PROGRAM

Group 4 Science Presentations, Sept 10th

Dear SVHS Families,

September is behind us, and we are already looking ahead to October; the school year is moving quickly. This Thursday, October 8th, marks the midpoint of the semester, with Semester 1 progress reports scheduled for release on Friday, October 16th. If you haven't already, I encourage you to check your student's grades regularly on ParentVue. If you have any concerns, please contact their teachers.

This Friday, October 9th, is a teacher Professional Development Day, so students will not have school. Please also mark your calendars for Indigenous Peoples Day on Monday, October 12th, which is another non-student day, so students will have a 4-day weekend. Additionally, this month we will focus on College and Career Readiness Week, October 19th – 23rd, as well as LGBTQIA+ History Month. If you have not had a chance yet, please be sure to read the [Superintendent's Letter](#) that was sent out last Friday.

Lastly, thank you so much to our Parent Club and ASB students for helping put on a memorable Homecoming Weekend. Although it was a lot of work, it was a fun-filled week capped off with an incredible dance and football games. Thank you for taking the time to read this newsletter and for staying connected with us. Your continued support and partnership make a tremendous difference in our students' success.

Joe Allen
