## News & Notes From Mrs. Dyer.....

### Spring ISTEP+ - Round 1(Applied Skills)

Beginning next week, March 5 – March 14, 2012, all of our 4<sup>th</sup> and 5<sup>th</sup> graders will take the first round of the Spring ISTEP+ test. Our goal is 100% attendance throughout that week! **Please be sure to schedule appointments for your child after school, if at all possible.** Be sure your child eats a good breakfast and gets plenty of rest. Round 2 (Multiple Choice) of the Spring ISTEP+ tests will occur from April 30 – May 9, 2012. We will encourage good attendance during this week as well. If you have any questions, please feel free to call the office (822-5396).

### Think Spring! – HIS Shorts Policy (H.I.S. Handbook - page 15)

With Spring right around the corner, comes the urge for students to wear shorts. **Shorts can not be worn until AFTER Spring Break.** Also, please be advised that we have set the temperature mark to wear shorts at 50 degrees. This means that the forecasted high for the day must say 50 degrees before the students are allowed to wear shorts and/or sandals. As always, we will ask students to use good common sense and to pay attention to the forecast for the day. If a student does not follow these guidelines, we will have them call home. Someone from home will need to bring a long pair of pants to the school. Thanks for your attention to this matter.

## *What Roles do Students Play in Bullying Situations?*

It is hard to believe but it has been another year since we completed our last Olweus Bullying Prevention Questionnaire! The *anonymous questionnaire* is used to assess bullying problems in school. Students answer questions such as, "What types of bullying are most common?" and "Where does bullying occur?" The information we gather from the questionnaire provides school-specific information critical to enhancing our bullying prevention effort. Our results from last year, are posted on the Middlebury Community School's website...take a look!

As you continue to talk with your child about bullying, take time to review the diagram, "What Roles Do Students Play in Bullying Situations?" This is a great conversation piece you may use with your child! Ask questions such as: In which role do you (your student) feel most comfortable? What roles do your friends take? How can you stand up for yourself...a friend? How can you (as a parent) empower your child to make a great choice?

## Immunization Requirements

The state of Indiana (IC 4-22-2) **REQUIRES** the following immunizations for students in grades 6-12 for the 2012-2013 school year: (Students not in compliance will be subject to exclusion from school)

- **Two** doses of varicella vaccine, or a history of chicken pox disease.
- One dose of tetanus-diphtheria-acellular pertussis vaccine (**Tdap**) given on or after the 10<sup>th</sup> birthday.
- One dose of **meningococcal** conjugate vaccine (MCV4).

These requirements will affect our fifth grade students who will be going into middle school next year! Please provide proof of immunization to the school once your child has received these immunizations. The required immunizations are available through your child's doctor or from the Elkhart County Health Department. To schedule an appointment with the Elkhart County Health Department, call 574-523-2127. In addition to the Elkhart location, the health department has immunization clinics in Middlebury on the 2<sup>nd</sup> and 4<sup>th</sup> Monday of each month. These bi-monthly clinics are held at First Mennonite Church, 203 East Lawrence Street. As with all Elkhart County Health Department locations, an appointment is required to be seen in Middlebury.

**Your child received a letter in February indicating which immunizations they need in order to enter 6th grade. If you have not received this letter, please check with your student or call Crystal Kauffman, HIS nurse, at 574-822-5396.**

### Fourth Grade Parent Meeting

There will be a meeting on Tuesday, March 27 at 5:30 p.m. for fourth grade parents interested in previewing the fourth and fifth grade growth and development (puberty education) materials. The fourth grade growth and development presentation will be on April 20. Fourth grade parents, please watch for a more detailed letter that will be coming home with your child.

### **Snow Make-Up Days**

Monday, May 7 and Friday, May 25 will be snow make-up days for Middlebury Community Schools.

### **Marvelous Mondays in March are coming!**

**Monday, March 5:** A "m-m-m good" Mysterious Munchie will be provided for you in the afternoon. Wonder what it is?

**Monday, March 12:** Marvelous Movie Monday! A movie will be viewed during lunch!

**Monday, March 19:** Mis-matched Day! Wear mismatched clothing and socks!

**Monday, March 26:** March Madness Day! Wear a team shirt/ jersey or hat!

### **ORCHARD VIEW CARNIVAL AND AUCTION**

Please mark your calendar and plan to attend a fun filled day at Orchard View on Saturday, March 3rd as they hold their spring carnival. There will be lots of fun games along with silent and live auction items including some great baskets of various themes put together by each class. Please bring your family and friends to enjoy the fun and to support their PTO.

## New Attendance Policy

Currently, the way in which “excused” and “unexcused” absences are defined is left up to individual school corporations. The lack of state-level guidance on this issue, however, has led to discrepancies in the ways that excused and unexcused absences are defined and reported, leading to over or under inflated attendance rates. Because of this, the State of Indiana has recommended that absences be considered excused in the following circumstances:

- Illness verified by note from parent/guardian
- Illness verified by note from Physician
- Family Funeral
- Maternity
- Military Connected Families (e.g. absences related to deployment and return)

Because of the new state guidelines, effective immediately, HIS will require a note from a Physician or a parent/guardian following an absence due to illness, funeral or military deployment/return. Thank you for your cooperation!

## How Does Your Student Feel About His or Her Friends?

As each school year rolls along, our students never cease to amaze me with their maturing thoughts and opinions about life. For example, a student’s quote after learning and embracing the HIS

Bullying Prevention Program:

*“A bully is someone who doesn’t know how special I am.”*

Wow! How I wish each student could understand the talents that they, and their classmates have to offer each other. In March, we take time to anonymously survey students to obtain their opinion about our Olweus Bullying Prevention Program.

Do you feel it is hard to make friends at HIS?

Are kids friendly?

Have you been bullied?

Does an adult know?

Was action taken to make you feel safe?

We, at HIS, want children to know it is ok to tell an adult if something uncomfortable is happening. It is our goal that our school and community continue to be a safe and friendly place to live. We encourage you to have open communication with your child about social interactions. Please let us know if there are ways we can make your child’s time at HIS a more enjoyable.

**Stand up. Speak out.**

## Breakfast Does A Mind and Body Good!

March 5-9 is National School Breakfast Week!! In honor of this special week we will be offering hot breakfast every day. As an added bonus, if you eat school breakfast your name will automatically be put in a prize drawing that will take place Tuesday - Friday on the morning announcements!! If you eat breakfast at home you can still participate! Forms will be available from your teacher that your parent can sign, stating that you ate a
