EAST MEADOW HIGH SCHOOL

DRIVING AND PARKING NEWS FOR ALL PARENTS AND STUDENTS

Dear Parents/Guardians,

If your child is a senior who holds a New York State Driver's Class D License and has not received an East Meadow High School Parking Permit, please contact Assistant Principal, Dr. Gustavo Loor.

I also urge you to communicate with your child, regarding parking on our neighboring streets. Students who park and travel on our neighboring streets throughout the school day must be sensitive to the residents and realize the dangers of driving recklessly. It is imperative that our students obey the parking laws and speed limits as well as respect the property of our neighbors. Please note that you are not able to drive to school with a class DJ license.

East Meadow High School has encouraged the residents to inform the Administration and the Nassau County Police Department of any violators of the law and misconduct during school hours. Any wrongdoing throughout the school day could result in school discipline and or the loss of school privileges.

Furthermore, if you have any questions regarding Junior Driver License and Learners Permits please visit The New York State Driver Motor Vehicle website. Thank you for your cooperation and please contact me if you have any questions.

Thank you,

William Brennan

Principal
