

Job Opening for Pickaway-Ross CTC Students and Community Members

Company: Greenlawn Companies
Employment Type: Full Time
Post Date: 6/17/2026

Job Title: Maintenance Technician
Location: Columbus, OH

Job Description:

Join Our Team as a Maintenance Technician!

We're looking for a hands-on, reliable Maintenance Technician to help care for a close-knit community of 37 single-family homes. If you enjoy problem-solving, working independently, and taking pride in a job well done, this could be a great fit.

What You'll Do:

Repair small appliances

Assist with turning units between residents

Coordinate outside vendors when needed

What You'll Need:

Your own tools

A dependable vehicle (with insurance) that can haul materials like hot water tanks or drywall

Availability for after-hours emergency calls

Ability to pass a drug screen

We're looking for someone who communicates well with Greenlawn staff, takes direction, and can manage their workload with minimal supervision.
