Job Title: Mental Health Therapist
Location: 1252 N Bridge Street, Chillicothe, Ohio 45601

Job Description:

Full job description

Who Is Anew?

Anew is an outpatient behavioral health provider that helps individuals facing mental health and substance use disorders.

The Anew Mission

The mission of Anew Behavioral Health is to provide life-changing care to all that we serve.

Anew was built by clinicians and is operated exclusively by clinicians who are committed to providing positive, strength-based, integrated and individualized solutions to best serve you and your loved ones.

The Anew Vision

Anew is committed to creating a world without stigma and a life without limits. In our world, every day is an opportunity for a fresh start, and anyone can Begin Anew.

Summary

The Therapist at Anew Behavioral Health provides therapeutic services to clients facing behavioral health issues and substance use disorders (SUD). This role involves the application of specialized clinical knowledge and advanced counseling skills to conduct assessments, create individualized treatment plans, and deliver effective psychotherapy in various settings, including office, community, and telehealth. The Therapist collaborates with clients, families, and multidisciplinary teams to support clients in their recovery and ensure holistic care.

Duties and Responsibilities:

- Utilize specialized clinical knowledge and advanced counseling skills to conduct assessments, develop treatment plans, and perform diagnostic interviews for behavioral health and substance use disorder (SUD) clients.
- Facilitate individual, group, and family-oriented therapy sessions to address client needs

CAREER & TECHNOLOGY CENTER

and promote recovery.

- Maintain accurate documentation of services rendered, client progress, and treatment outcomes.
- Collaborate effectively with clients, their families, case managers, and referral sources to ensure comprehensive care.
- Work with clients to develop individualized treatment plans that are tailored to their unique circumstances and goals.
- Participate in regular care conferences and case reviews to enhance treatment effectiveness and client engagement.
- Attend Supervision as required.
- Ensure compliance with agency, federal, and state confidentiality standards and HIPAA regulations.
