2026 ED-TECH Fair

**February 3rd from 4:30 to 6:00PM in the
Burlington-Edison High School PAC**

Come and join students, staff, local vendors, and community members for a fun filled event. Students will be demonstrating how new technology tools are supporting their learning. They will share connections to the world outside the classroom and how learning is preparing them to grow in character, citizenship, communication, collaboration, critical thinking, and creativity.
