

Senior Pictures Recommendations

Following are the guidelines for Senior Pictures for the Composite, Yearbook, and Newspaper:

To ensure the best memories possible for this graduating class, we please ask that extra care is taken when submitting your Student's Senior Picture. We want to publish the best yearbook, best newspaper and best class composite we can, so that we have them to look back on FOREVER! This is only possible through the cooperation of submitting a **HIGH QUALITY PORTRAIT:** Please take note of the recommendations below:

- 1) No Screenshots!
- 2) Minimum of 3 mb
- 3) Vertical Picture (up and down)
- 4) No hats/caps

Our copy can be delivered to us via flash drive or email. We would prefer not to have a hard copy picture that we have to scan, as a scanned picture doesn't turn out as well. It would be ideal to have the original file from the photographer if possible (they could email directly to Mrs. Palmer).

As a senior, you are **required** to take a picture with the school photographer when they come to take pictures in the fall. We will use this picture if we do not get one that meets the criteria listed above.

It is your responsibility to make sure YOU take the formal head and shoulder picture. I recommend that you call now for your appointment, they will fill up fast.

Your Senior Pictures are **DUE TO THE LIBRARY ON OR BEFORE Friday, January 15, 2027.**

Please email to alysa.palmer@k12.nd.us. If you have any questions, you can email or call the school at 228-2266.

Examples of pictures that are acceptable:
