Skyward Parent Access

Wanting to login into Skyward Parent Access and you just can't remember your password? Please go to our web page www.pekinhigh.net and click on Menu in the upper right corner. Under the Parents tab you will click on "Forgot Your Parent Access Password" link.

Student ID'S

Students are to carry their student ID's at all times and be prepared to present their ID anytime they are in the building or at a school activity. If a student checks in late they will be required to present their ID. If they have lost their ID a new one can be purchased at the BFO for \$4.00.

Students present your ID at sporting events and get in free.

Dragons Closet Donations

There are organizations that are lending a helping hand. Pekin Community High School has the Dragon's Closet. The Dragon's Closet provides non-perishable food items, hygiene products and clothing for students in need through donations from the community. Donations can be dropped off in the principal's office from 7:30am to 3:00 pm.

The National Honor Society is hosting their fall blood drive on Saturday, October 17th. The blood drive will be at First Church of God at 2520 Maywood Avenue. It will run from 9 am to 2 pm. If you are 16 years old or older and would like to donate blood, you can also go to red-crossblood.org, find the NHS blood drive, and schedule the appointment online. Please do what you can to save up to 3 lives! There is an especially high need due to the pandemic.

Yearbooks

Buy your 20-21 yearbook for \$30 until December at the BFO!

How to Use the Canvas Parent Website & App

Follow these instructions to use the Canvas parent app! Canvas Parent enhances the potential for parents to engage in their children's education. Parents can review upcoming or past assignments, check on grades, and receive alerts for student activity.

"Flying the P"

This week's winners of the "Flying the P" award are six students who have and continue to devote countless hours to our Little Dragons Child Care Center. These six students volunteered their own time prior to the start of school to come in and care for the children, clean, sort, rearrange, and organize all of the furniture and equipment, and put the center together. Their help was invaluable in the opening of the Little Dragons Child Care Center. Please help me in congratulating each of these students!

"Flying the P"

This week we are honoring our six Dragon Day Assistants/Leaders! These students volunteered their time over summer break to plan Dragon Day 2020 so that, even during a pandemic, the Class of 2024 would be able to have many of the same experiences they had on their very own Dragon Day. Then on Dragon Day 2020, these six students helped lead nearly 100 Dragon Day student volunteers to welcome our newest dragons to PCHS. Please help me in congratulating each of these students for all of their work in making Dragon Day

"Flying the P"

This week's winners of the "Flying the P" award are ten students who made the lasting memories of the 2019-2020 yearbook come to life! This team of students gave it their all, especially during the spring semester, to create a one of a kind award winning yearbook they are very excited to distribute to the student body in just a few weeks. These students went above and beyond to ensure that, even during a pandemic, the memories of 19-20 were preserved. Please help me in congratulating each of these students!

Greetings from JROTC.

As we begin the 2020-2021 school year in JROTC, things are just as unusual for our Cadets as they are in other places in our country. With awareness raised because of COVID, JROTC will look much different than it has in the past for all of us and I want to make you aware of a few of those changes as we begin the year.

First, we have 140 Cadets in JROTC to start the school year. These numbers are down a little from previous years mainly because many Cadets have elected to stay home during the school year. We fully understand this and why they would choose to learn from home.

Second, I would like all of you to know, we are fortunate to welcome First Sergeant Julio Gonzalez as the new Assistant Instructor in JROTC. He comes to us after 26 years in the U.S Army to teach and lead our Cadets. His email follows: jrodriguez@pekinhigh.net

Next, we are hopeful that our Cadets will still be able to participate in some activities outside of the classroom, but please know we will not be doing the Homecoming Parade, the Military Ball and other events that involve large numbers. As of now, our Drill Team and Rifle Team seasons are still a go. We hope to start these activities as we have in the past in the October timeframe. There will be more information to follow regarding these team events.

Additionally, of note, we will not be issuing uniforms to Cadets until further notice. Cadets are not allowed to change or be in large formations so uniform days are postponed until further notice.

Lastly, we value having your son and daughter in our program. Please feel free to stop by or talk to us at any time. Here is the link to our page on the PCHS website: <https://www.pekinhigh.net/o/district/page/jrotc-home>

Thank you. Lt. Colonel Larry Hallstrom

Online Athletic Registration for Winter Sports

Winter sports include: Competitive Cheer, Competitive Dance, Girls Basketball, Boys Basketball, Wrestling, and Boys Swimming.

New this year: parents and students BOTH must register in order for student athletes to be permitted to go out for their sport. To complete online athletic registration, parents and students should each create an account on the athletic website: www.planeths.com. Students should use their PCHS email address for their accounts. ***This website is new for PCHS athletics as of August, 2020.***

Once the parent and student have created accounts, they then "link" their accounts to complete the registration. Please note: the registration is not complete until the information under the "Athletic Forms" tab is completed. If you have more than one student, you must add them one at a time.

Also, please be aware we are no longer issuing "Ready Cards", but sports physicals must still be submitted to Mrs. Patton or Mr. Gurvey in the Athletic Office. Student athletes need to get their online registration done ***prior to the first day of Winter Sports, which is November 16, 2020.*** The Athletic Office recommends that online registration for winter sports be completed by November 2nd to allow time to solve any issues with the registration process. ***IHSA by-laws state that student-athletes will not be admitted to practice - or allowed to tryout - until they have completed their athletic registration.***
