

Immunization Requirements for the 26-27 School Year

Texas state law requires students entering Kindergarten and 7th Grade to have specific immunizations on file before attending school. Please review your child's immunization record and schedule any needed appointments as soon as possible.

KINDERGARTEN REQUIREMENTS • 5 doses DTaP (Diphtheria, Tetanus, Pertussis)* • 4 doses Polio* • 2 doses MMR (Measles, Mumps, Rubella) • 3 doses Hepatitis B • 2 doses Varicella (Chickenpox) • 2 doses Hepatitis

7TH GRADE REQUIREMENTS • Tdap Booster • 1 dose Meningococcal (MCV4) Vaccine • Continued compliance with all previous school immunization requirements

Catholic schools do not accept students who have received a parental choice or religious exemption from the immunizations required by Texas state law. Conscientious objections or waivers, which may be permissible for attendance in public schools, do not qualify as an exemption in Catholic Schools in Texas. (Atty. Gen. Op. GA-0420)
