GRADING

Grading Scale

Grades are calculated using a weighted scale. Assessments will weigh more than daily work. Each teacher will go over the weighted scale for their individual class. As a Summit student, you will be expected to achieve and maintain your best effort in each class. You have the responsibility of keeping yourself and your parents informed of your progress. The teacher will use multiple assignments, tests, and projects to determine student learning. Grades will be calculated based on a cumulative semester average. Families can also access grades via the Parent Portal through Infinite Campus.

A - (90 - 100)
B - (80 - 89)
C - (70 - 79)
D - (60 - 69)
F - (0 - 59)

Report Cards

The ability to monitor a student's attendance, grades, and any assignment information can be securely viewed from an internet browser at home, office, or public library through Infinite Campus. This secured access requires an internet connection as well as a confidential user name and password. If you have not signed up to view your student's information via Infinite Campus, you may do so by downloading the app and following the registration directions. More information concerning Infinite Campus can be found on the Edmond Public Schools Website.
If you do not have access to a computer or internet, you must complete a written request form available in the office, to receive a printed copy of your student's progress report/report cards.
All printed progress reports/report cards will be available for pickup by the parent or student in the counseling office at the end of a grading period.

Make-Up Work

Communicate with your teachers regularly! Students must make arrangements for make-up work due to absences. The procedure is as follows: upon returning to school, students receive one day (calendar school day and evening) for each day out, plus one additional day/evening. Students who miss school to participate in school activities do **not** have an extra day to complete assignments; work will be due upon return from the activity. Missed tests must be coordinated with the teacher.

FERPA

The Family Education Rights and Privacy Act (FERPA) affords certain rights to Parents and Eligible Students in regards to Education Records that are maintained by schools and universities. For more information about FERPA please visit https://studentprivacy.ed.gov/

Proficiency Based Testing

Proficiency-Based Promotion is a system, which awards credit for students' knowledge in the core curriculum areas: foreign language, social studies, mathematics, science, and English. All students in grades K-12 currently enrolled in Edmond Public Schools wishing to demonstrate proficiency are eligible to take proficiency-based examinations. Students taking the tests for the core curriculum in grades 6-8 who receive at least a 90% on an assessment will be able to progress to the next level of the subject area. **Tests are administered semi-annually, in August and January.** Please contact a counselor to apply to take an exam. Refer to the Proficiency Based Examinations brochure available from the Administrative Center for more information.

GRADING

Student Retention

State law allows a teacher to recommend that a student be retained at the present grade level. If a parent or guardian is dissatisfied with the recommendation for retention, he or she may appeal the decision by complying with the District's appeal process. **School board policy does not allow parent appeals for student promotions.** The decision of the Board of Education shall be final.

Study Hall- *WIN Time & Saturday School*

Students may be asked to stay after school to complete assignments or receive additional instruction. Study hall is by assignment only. **A bus is not provided after for students who are assigned study hall by their team of teachers.** There are a limited number of students assigned to team study halls as well as administrative study hall/detention. Students cannot attend study hall without being assigned by a teacher or administrator.

Principal's Honor Roll

Seventh and eighth grade students will have the opportunity to earn Oklahoma Middle School Honor Society membership. Membership is limited to the top 10 % or those earning a perfect straight A average. Membership is based on the grades earned in the previous two semesters before the ceremony, which occurs in February.

Eligilbility

New School Year

A student must be passing five classes from the previous year or semester. If not, the student will not be eligible to participate during the first SIX WEEKS of the next semester. A student regains eligibility by achieving passing grades in ALL SUBJECTS at the end of a six-week period. Students enrolled for the first time must comply with the same requirements of scholarship.

Weekly Eligibility During a Semester

The Oklahoma Secondary Schools Activities Association has established strict policies and procedures regarding scholastic eligibility for 7th and 8th grade students. In adherence to these rules, we are required to do weekly grade checks on Wednesday to determine eligibility for every student involved in a competitive activity (interschool athletics, band, vocal music, and orchestra). Student eligibility will be checked during the fourth week and each succeeding week thereafter. A student must be passing all subjects in which he/she is enrolled. If not, the student will be placed on probation for the next one-week period. If the student is failing one or more classes at the end of the probationary one-week period, the student will be ineligible to participate during the next one-week period. Week periods will begin on Monday and end on Sunday. Coaches are notified weekly of students who are on probation or ineligible. A student who is not passing all subjects will be notified by the coach. EACH STUDENT IS RESPONSIBLE FOR INFORMING THEIR PARENT CONCERNING THEIR ELIGIBILITY STATUS. A student who is failing for two consecutive weeks will be ineligible to participate in any activity the second week. A student who has lost eligibility under this provision must be passing all subjects to regain eligibility.

ATTENDANCE

Responsibility

In order to be successful in school, good attendance is imperative. Students should be on time for their first class, which begins at 7:35 a.m. If you must be absent, your parents should call the school's attendance secretary by 11:00 a.m. each day of your absence. The number is 726-6072.

To receive an excused tardy, it is your responsibility to have a written excuse or to be accompanied by a parent or guardian. Chronic tardiness (excused or unexcused) is a serious problem that will be addressed with consequences such as detention or AISP. School board policy number FDC-R1 addresses middle school absenteeism. The policy notes that students are allowed nine absences per class period per semester, including excused and unexcused absences. (School activity, documented medical absences, and religious observances do not count in the nine absences.) The tenth absence (excused or unexcused) may require the student to make up time at school to be determined at the principal's discretion. The ten-day limit may be extended by the principal due to a child's extended illness or hospitalization.

When a student has accumulated 18 absences in a class period, he/she may be required to meet with the Attendance Review Committee to discuss the student's placement for the next year. The Truancy "Compulsory Education Law" procedures will be followed (Oklahoma Statutes, Title 70, Sec. 10-106). To read the full attendance policy for middle school students click the document on the right.

Absences

An absence occurs when a student misses 15 minutes or more of one class. For virtual and remote learning days, students will be counted present if there is documented student/teacher/course interaction that may include, but is not limited to, online communication, emails, or posting/submission of lessons. For full virtual courses, students will be counted "present" or "in attendance" when the course provider provides evidence of student/teacher/course interaction that demonstrates student progress toward learning objectives and demonstrates regular student engagement in course activity.

Students shall not be excused from school to take private lessons of any kind except in those instances in which the school cannot provide appropriate facilities and/or instruction.

It is important for those students who are ill to stay home when sick. Students who have a fever or a measured temperature greater than or equal to 100 degrees Fahrenheit should not be at school or school activities.

ATTENDANCE (CONTINUED)

Allowable Absences

Anytime a student is absent, a parent/guardian should contact the school to share the reason for the absence. “Excused” absences will only be granted for the following reasons:

1. Personal or family illnesses
2. Death of family member or friend
3. Medical appointments
4. Documented participation in five 4-H activities each school year.
5. Documented speech therapy, occupational therapy, or any other service related to the child’s Individualized Education Program (IEP).
6. Legal/judicial matters
7. Observance of religious holy days if before the absence, the parent, guardian, or person having custody or control of the student submits a written request for the allowable absence. The school district shall allow a student pursuant to this subsection for the days on which the religious holy days are observed and for the days on which the student must travel to and from the site where the student will observe the holy days.
8. For the purpose of participating in a military funeral honors ceremony upon approval of the school principal
9. Extenuating circumstances or family emergencies deemed necessary by the principal.

Proper documentation may be requested before an excused absence is recorded. All attendance changes must be completed within the six (6) week reporting window that the absence occurred.

ATTENDANCE (CONTINUED)

Distance learning or virtual attendance

A student will not be considered absent from school if they are not physically present at school but are completing work in a remote learning program or a virtual online program provided by Edmond Public Schools and are meeting the following attendance requirements:

a. The student has completed no fewer than ninety percent (90%) of the instructional activities provided in a virtual or remote learning format to include online logins to the curriculum or programs, offline activities, completed assignments, testing, face-to-face communications, or meetings with school personnel via teleconference, videoconference, email, text, or phone.
b. The student is on pace for on-time completion of the course as required by the school district.
c. The student has a medical condition that incapacitates the student and precludes them from participating in instruction in a traditional school setting, and the student is able to progress in instruction via alternative education delivery methods approved by the local board of education.

Chronic Absences

Chronic absenteeism refers to a student who is absent 10 percent or more of the school days in the school year, exclusive of a significant medical condition. If the student is absent for a medical reason, medical documentation should be provided to the school for possible exemption from chronic absenteeism. A significant medical condition indicates a severe, chronic, or life-threatening physical or mental illness, infection, injury, disease, or emotional trauma.

ATTENDANCE (CONTINUED)

Checking Out

If you must leave school before the end of the day (illness, orthodontist, etc.,) only your parents, guardians, or those designated on your office registration card may sign you out through the attendance office. Students should not be checked out for lunch by anyone other than their own parent(s), legal guardian(s), or Summit staff. It is requested that students only be checked out for special occasions to limit the possibility of being tardy for their afternoon class.

School Activities

Students may not be allowed to participate in after school or evening activities if they are absent with an unexcused absence the day of the activity or if they are serving a suspension. The school cannot assume responsibility for students when they leave the supervised activity and/or area.

Prevention Efforts

Stopping attendance problems at the earliest point is essential. It is also important the school extends an effort to work with families making sure a student's attendance problems are stopped at the earliest point possible. School administration may follow these steps for a full-day absence, half-day absence, or a single period absence.

Recommended Actions:

3rd day absence beyond a 4-week period - The school will send the families an auto email and auto phone call. A counselor may also conference with students. with a contact to parents to advise of the counselor-student conference. (Time of year dictates the tone & direction of the conversation).

6th day absence - Counselor or administrator conference with student followed by a letter of summary to parent (auto-generated email and auto phone) and possibly after-school detention for academic recovery. Second semester take care to review the absences for appropriateness of response.

9th day absence beyond a semester - Call from administrator to parent with possible conference, plus additional detention or remediation for academic recovery. Following administrator call, Nudge Letter, drafted by the school and signed by the Edmond Public Schools' Truancy Officer, is sent via U.S. Mail. (See 3rd day if the 9 absences are all in one semester).

ATTENDANCE (CONTINUED)

10 or more day absence - Administrator, counselor, (possibly teacher), truancy officer, and SRO conference with parent and student to give City of Edmond/ Oklahoma City truancy warning letter.

- At this meeting, the parent and student may be given the letter from the Edmond/ Oklahoma City Attorney. The SRO will interview the parent about possible defenses or extenuating circumstances that might defend the situation. The SRO will document this conference and information in a police case report.

Once the student has missed 10% of the school year, the SRO will be advised for consideration of citation to address chronic absenteeism.

Students who have accumulated twenty or more absences during the school year will be referred to the School Attendance Committee for a review of eligibility to be promoted to the next grade.

Tardies

Instruction is expected to begin when the class bell rings. Students who arrive after this time are considered tardy. Tardies are only excused for the same reasons an absence would be excused. If a tardy is to be excused, documentation must be submitted within three school days of when the tardy was recorded. Three (3) unexcused tardies equal one (1) absence and will be calculated in truancy totals. Additional consequences may be assigned by the school as appropriate to deter student tardiness. The consequences may include, but are not limited to:

1. Parent/guardian contact
2. Conference with student and/or parent/guardian
3. Detention

Make-Up Work

Communicate with your teachers regularly! Students must make arrangements for make-up work due to absences. The procedure is as follows: upon returning to school, students receive one day (calendar school day and evening) for each day out, plus one additional day/evening.
Students who miss school to participate in school activities do **not** have an extra day to complete assignments; work will be due upon return from the activity. Missed tests must be coordinated with the teacher.

ATHLETICS & ACTIVITIES

Physicals

Prior to participation or practice. ALL athletes must be compliant on the Rank One online platform. Coaches must confer with the program to confirm that ALL participants are current with the appropriate OSSAA physical and all permission and participation documents in a 13-month window of May 1st - May 31st. It is the parents'/guardians' responsibility to complete all forms before a student is allowed to attend, participate, practice, or compete.

- Middle school athletes have two years of continuous eligibility from the student's first entry into the 7th grade. A student must meet the age, scholastic and date of entry requirements before participation. Students may not participate in athletics when repeating 7th or 8th grade.

- To be eligible for any one semester, a student must satisfactorily fulfill his/her scholastic requirement by passing during the previous week as specified by the eligibility rules of the OSSAA. Passing is 60% or higher in all classes continually for the eligibility period.

- Athletic teams should be transported in school vehicles for games and/or practices outside of EPS.

- An injury report must be filed with the site AD in the event there is an incident. Situations that require emergency medical treatment should be reported to the site administrator ASAP.

- Athletes who require medical assistance or have a medical waiver for practice or participation must have a medical release prior to returning for participation and added to Rank One.

- Due to practice facility size, safety of athletes and supervision, sports teams may be limited in size. This information will be shared at the sport specific parent meeting.

- Games and practices may be canceled or postponed due to OSSAA weather guidelines.

- Students are only allowed to participate in one sport per season (Fall sports, Winter Sports, Spring Sports).

PROCEDURES

Before & After School

Students are not allowed on campus before 7:10 a.m. Students arriving at school after 7:10 and before 7:35 should go directly to their designated area.

6th grade: Big Gym West 7th grade: Big Gym East 8th grade: Small Gym

After school, the building should be clear of all students by 2:30 unless they are participating in after-school athletics, with a teacher, in detention, or placed in after-school study hall. Students staying after school need to be in their assigned location with their supervising adult by 2:30. Those students not riding the bus need to be picked up or leave campus no later than 2:45.

Lockers & Backpacks

Students will not be assigned a locker to be use at school. However, students will be allowed to carry their belongings in a backpack or binder to each class. Athletes who have additional equipment will be notified by their coach as the location for their bags and equipment.

Cafeteria: Breakfast & Lunch

Students may purchase a lunch or bring one from home. Students wishing to purchase school lunches may open a lunch account. The student may deposit money in the account and access the money by use of their student ID badge. Parents can now manage their students' lunch account from the Internet. Log onto schoolcafe.com to register. The cafeteria cannot accept deposits after 9:30 a.m. daily. A student may also pay cash for lunch and breakfast. A plate lunch of four items (entrée, two vegetables/fruits/breads, and drink) may be purchased for a reasonable price. Additional ala carte items (water, chips, muffins, ice cream, drinks, etc.) may be purchased with cash for an additional cost. There are several serving lines from which students may select a variety of plate lunch items.

The following procedures will assist in making lunch a pleasant experience: Eating area should be left clean and all lunch items removed from the tables. Lunch is to be eaten in the cafeteria. No food/drink is to be taken from the cafeteria to be eaten later nor stored in a backpack. Follow the directions of the duty teachers. Do not cut into the lunch line. Take your turn and do not save places. Throwing food or other items in the cafeteria can be dangerous and disruptive and can lead to consequences. Students are required to stay on the school grounds and within designated boundaries during lunch. Lunch duty teachers are in the cafeteria and outside during lunch each day to assist and supervise students. Students should not be checked out for lunch by anyone other than their own parent(s), legal guardian(s), or Summit staff. Parents are reminded that we have limited time for students to eat lunch (30 minutes). Although we appreciate the desire of parents to take students out for special occasions (birthdays, etc.), when students arrive late in classes after lunch, it disrupts classes and affects the class routine. Parents may bring lunch to school **for their children only**. Bringing items like pizzas for several students often causes problems in the cafeteria and is not allowed. Please arrange in advance for your child to come by the office to pick up lunches. Calling into a classroom is disruptive to learning. Due to space and safety issues, we cannot permit adults and non-Summit students to eat in the cafeteria during lunch.

PROCEDURES (CONTINUED)

The Summit Campus

The Summit campus is a closed campus. (Once students arrive on the grounds, they must remain on campus until they are properly checked out through the office or are on the way home after the school day ends.) School hours for students are from 7:35 a.m. until 2:25 p.m. Students should not arrive on campus until 7:10 a.m. as supervision begins at that time. Students need to be in their first hour classes prior to the 7:35 a.m. bell. Students who leave the campus without authorization may be assigned Alternative In-school Placement or out of school suspension.

For the safety of students, it is required that all students be picked up within 30 minutes of the end of the school day, school activity (such as study hall, clubs, or practice), sports activity (as a spectator), or ANY extra-curricular activity. Students not picked up within 30 minutes may have a verbal warning on the first late pick-up, a written notice or phone call on the second incidence, and a police issued trespass warning on the third late pick-up. Fourth and subsequent late pick-ups may result in trespass charges. If there is an emergency situation where your student cannot be picked up within 30 minutes, please communicate this to the school office. Please realize we have the safety of your student in mind and there is no supervision after the 30 minute time period after an event.

Counselors

A counselor is available to all students and may provide assistance to you in making appropriate decisions. To talk to a counselor request an appointment on your counselor's Canvas page.

Media Center

The Media Director will be happy to assist students in the use of books, audio-visual materials, and computer software. Library hours are from 7:35 a.m. to 2:00 p.m. Guidelines will be: Books circulate for two weeks; playaways for one week. Some materials will be put on reserve and checked out overnight only. A notice of overdue material will be sent to a student's English class. You are responsible for materials when you check them out. Any damaged, stolen, or lost items will be your financial responsibility. Summit does maintain a collection of books on young adolescents, which we make available to parents through your child's check-out card. Students (and parents) must sign the Responsible Use Agreement before students can access the Internet via the computers in the Media Center, classrooms, and computer lab. Failure to comply with the internet policy may result in a year-long suspension of internet privileges.

PROCEDURES (CONTINUED)

Chromebooks

Most students should still have their Chromebooks from the previous school year. Those students will once again bring their Chromebooks to school everyday. For those who do not have a school issued Chromebook, one will be checked out to you within the first couple of days of school.
There is insurance available for your Chromebook called the Student Technology Protection Plan. This can help cover the cost of any damages that may occur accidentally.
Chromebooks are district issued devices and are property of the district. Student activity on the device is monitored and the devices should only be used for school purposes.

Change of Address/Phone

If you have a change in your name, address, or phone number, please make this change in Infinite Campus as soon as possible. There are times when we must contact parents, so please notify us when a parent's work number changes and especially cell phone changes.

Public Displays of Affection

All students are expected to refrain from unacceptable public displays of affection whether in school, on school grounds, on busses, or at any district sponsored event, on campus or elsewhere.

Unacceptable public displays of affection include, but are not limited to, any prolonged embracing and/or kissing, inappropriate touching, and touching of a sexual nature. Unacceptable public displays of affection at school do not provide a distraction free environment conducive to learning and could also violate sexual harassment laws. Students who are displaying unacceptable public displays of affection may receive disciplinary action, counseling and/or parent intervention.

Riding a bus is a privilege that may be lost if behavior is inappropriate. All students are given a copy of the bus rules in a Bus Rider's Handbook to be signed by both the students and a parent or guardian. On the bus, students are under the direct control and supervision of the driver. If there are problems, the driver will file a written report with the school administration and appropriate action will be taken.
