About Me:

Welcome to 4th grade! This is my 17th year of teaching, and I've loved teaching kindergarten, 5th grade, and now 4th grade. I'm a proud mom of two children who attend our school. When I'm not teaching, I enjoy reading, traveling, and playing board games with my family. You'll also find me cheering on the Oklahoma City Thunder and the Texas Longhorns. My goal is to create a classroom where every student feels safe, supported, and has fun while learning. I can't wait to have an amazing year together!

My why for being in education:

I want every student to believe in themselves. By creating a classroom where students feel safe to take risks, ask questions, and learn from mistakes, I hope to inspire a lifelong love of learning. I want my students to leave my classroom with the confidence and skills they need to succeed beyond school. My goal is to send them into the world prepared to think critically, overcome challenges, and make a positive impact in their communities.

Fun Facts:

- I love traveling and discovering new places.
- Even though I love adventure, I'm terrified of roller coasters!
- Board games are one of my favorite ways to spend time with family and friends.
