Washington Irving

Meet the Stars

Mrs. Coghill

About Me:

I am thrilled to be your 3rd grade teacher this year! I hold a Bachelor's Degree from UCO and am currently working on my Master's in Curriculum and Instruction.

I was born in Missouri, but lived in Arkansas until the 5th grade. I have lived in Oklahoma ever since and cannot wait to explore its rich history with our class! My college sweetheart and I have been married for 18 years, and we have four kids (ages 14 to 9), two cats named Niles and Daphne, and a sweet dog named Zeke.

This is my second year at Washington Irving, and I'm proud to be a wolf! I look forward to partnering closely with you for a wonderful year.

My Favorites:

Snacks: Cheez-Its, teriyaki beef jerky, salt & vinegar chips, cosmic crisp apples, and pretzels
Drink: Oat milk lattes, flavored water, and Coke
Food: Tacos, bread, sushi and potatoes
Dessert: Cheesecake, tiramisu, and soft caramels
Season: Fall
Team: Arkansas Razorbacks, KC Royals, KC Chiefs, and Seattle Kraken
Color: Pink, turquoise, and yellow
Books: Little House and Harry Potter Series
Movies: Back to the Future and Disney/Pixar
Animal: Panda, fox, and bunnies
Flower: Tulips, carnations, and gerbera daisies

My why for being in education:

After years of being a stay at home mom, becoming a teacher was a deliberate choice born out of a genuine love for helping children grow. Our classroom will be a warm, welcoming space where every child knows they belong. Ultimately, my goal is to guide students to find their own unique sparks. Whether a child connects deeply with history, writing, science, reading, or math, my mission is to simply help them find the pure, lifelong joy of learning through immersive, hands-on experiences.
