Washington Irving

Meet the Stars

Mrs. Roan

About Me:

I am a native Oklahoman but grew up in Louisiana. I attended the University of Oklahoma and UCO for my education degrees. I love being crafty and creating things for friends and family. I have a husband, two children, and a dog and love spending time with all of them. I love to learn new things, especially in the area of technology!

My Favorites:

Snacks: Almonds, yogurt
Drink: Diet Limeade with Strawberry
Food: MEXICAN
Dessert: cherry pie, brownies, cookies
Season: Fall
Team: OU Sooners, OKC Thunder
Color: pink or red
Book: Because of Mr. Terupt
Movie: Sense and Sensibility, The Sound of Music
Animal: Capybara
Flower: Peony, Hydrangea, Tulip

My why for being in education:

My mom was in education throughout my entire childhood. I LOVED going to her school and helping her in her classroom. I also loved playing 'school' at home. Technology is a passion of mine and I get to enjoy BOTH in my position as a Computer Science teacher!
