About Me:

I am beginning my 11th year in education and my 5th year at Washington Irving, where I have the privilege of teaching the best grade! I graduated from OSU with my degree in Elementary Education. My husband and I have been married for almost 9 years and we have two children, Emmie (2nd grade) and Mason (Kindergarten). Washington Irving is our home away from home and we truly love being a part of this school family! Outside of school, I enjoy traveling, shopping, golfing, and spending quality time with my family and friends. Go Wolves!

My why for being in education:

I became an educator because I believe every child deserves to feel loved, valued, and capable of success. Nothing is more rewarding than helping my students grow in confidence, discover a love of learning, and realize their full potential. And a bonus – it's so much fun!

Fun Facts:

- I have two dogs, Molly & Josie!
- I am the Jonas Brothers #1 fan!
- I helped my husband set a golfing world record once!
