General Studies. I'm currently working on my Master's of Education in Educational Leadership from Grand Canyon University and my pending graduation date in May 2027.

My Favorites:

Snacks: Milk chocolate (Dove, Lindt, etc)
Drink: Dr. Pepper
Food: Crab legs & Ribeye steak (bone-in)
Dessert: Crème Brûlée
Season: Fall or Spring
Team: University of Houston (GO COOGS!)

Book: Harry Potter
Movie: The Wizard of Oz
Animal: I LOVE SLOTHS!!!
Flower: Roses, Tulips, and Peonies

My why for being in education:

I believe that children are our future. We must teach them well, but let them lead the way. Showing them all the beauty they possess inside will not only give them a sense of pride, it will make it easier too.
