

# AMPED UP ON HOPE!

TEXANS CAN - AUSTIN

## Page Champion

Lend your voice to our students! Be a Champion for Texans Can - Austin when we create a customized page for you to share.

How does it work?

- Send us an image and a short description of why you are involved in Texans Can - Austin and we will send you your custom page
- Post your page on FB, Twitter, and Instagram. You can also email it to your contacts

## Gather Moment

Do you have an idea for an engaging, safe virtual event to help raise awareness? Would you like to host a workout? Cooking Class? Private concert to gather supporters?

How does it work?

- Let us know your idea by February 25th
- Share your link to your virtual event
- We will meet for a planning call and ask you to share the event on social media

**Amplify Austin Day 2022** is almost here! Austin's biggest day for raising awareness and support for our community's nonprofit organizations is Texans Can's chance to shine light on the mission to graduate thinkers and ensure our students' economic independence.

Your involvement could mean that more will know about our students, care about their futures, and join in the work to change their lives.

## 3 ways you CAN Amplify!

## Matching Challenge

Inspire others to give with a matching challenge: encourage your network to meet an amount of your choosing.

How does it work?

- Tell us how much you would like to challenge others to raise, e.g., "We will match any donations on Amplify Austin Day (up to \$5,000)."
- We will share the challenge on social media and ask you to share the challenge with your contacts
