

Whitesville Central School District

Strategic Plan 2025-26

Mission

Empowering all learners to wonder, explore, and grow.

Vision

Through engaging instruction, strong relationships, and a focus on collaboration, creativity, and character, we guide each student to become a confident thinker, kind leader, and curious problem solver, ready to shape tomorrow's world.

Our Core Values

Student-Centered Approach

Understanding and supporting each student's unique needs, interests, and strengths.

Positive and Respectful Culture

Promote a culture of positivity and respect where achievements are celebrated and everyone is treated with dignity and respect.

Community & Relationships

Building strong relationships within the school community.

Innovation and Creativity

Encourage creative and critical thinking where innovative ideas are valued and nurtured.

We are committed to building student's accountability through self-regulation and self-care so they can be productive citizens.

Our Commitment to Student Learning will Include:

Students develop Social and Emotional Learning skills to support self-regulation and build self-confidence.

Creating opportunities for students to volunteer within our community.

Encouraging students and staff to engage in random acts of kindness to promote good character and leadership skills.

We are committed to recognizing excellence to foster pride, responsibility and leadership skills to enhance the growth of character.

Our Commitment to Student Agency will Include:

Recognize student achievements and talents through academic and character awards.

Share student accomplishments with peers, family and community.

Establish a mentor/mentee program to develop leadership skills and responsibility.

Give students the opportunity to make choices about their learning and the confidence to learn from mistakes.

We are committed to providing all students with an equitable educational experience.

Our Commitment to Student Experience will Include:

Students will be given opportunities to choose activities to showcase their learning.

Ensure all students have an equitable voice in the classroom.

Provide experiential learning to all students.

Utilizing the MTSS (Multi-Tiered System of Support) to be proactive in supporting students.

We are committed to building and modeling positive relationships within the school community.

Our Commitment to Student Experience will Include:

Student interest surveys will be used to foster positive relationships and build connections.

Host community events to model positive communication and relationships.

Strengthening relationships through restorative practices.

We believe that students thrive when families, staff and the community work together to support their growth and success.

Our Commitment to Community Engagement will Include:

Partnering with parents and guardians to develop shared goals for student success.

Increasing communication with our families and the community.

Promoting student engagement through real world experiences within our community and surrounding areas.

Providing opportunities for volunteers to engage with students.
