RESOLUTION SUPPORTING MILITARY-CONNECTED STUDENTS AND FAMILIES

WHEREAS, the Board of Education recognizes the important contributions and sacrifices made by military-connected students and families in service to our nation; and

WHEREAS, military-connected students often experience unique educational and social-emotional challenges due to frequent relocations, school transitions, parental deployments, and interruptions in academic continuity; and

WHEREAS, the district is committed to ensuring that all students, including military-connected students, are provided equitable access to educational opportunities, academic support, extracurricular activities, and social-emotional resources; and

WHEREAS, the district has established practices and procedures to support military-connected students and families through personalized enrollment assistance, academic planning, transfer of educational records, counseling services, and access to information regarding the Interstate Compact on Educational Opportunity for Military Children; and

WHEREAS, school counselors, teachers, administrators, and support staff work collaboratively to assist military-connected students in successfully transitioning into the school community while promoting a welcoming, inclusive, and supportive environment; and

WHEREAS, the district values ongoing communication and partnership with military-connected families to ensure students' educational and emotional needs are met during periods of transition and adjustment;

NOW, THEREFORE, BE IT RESOLVED that the Board of Education reaffirms its commitment to supporting military-connected students and families by maintaining practices that promote smooth educational transitions, academic continuity, student wellness, and family engagement; and

BE IT FURTHER RESOLVED that the district will continue to provide resources, guidance, and support services to military-connected students and families while fostering a school culture that honors and respects military service and sacrifice; and
