DISTINCTIONS

Locust Valley High School has been ranked among the top national high schools by Newsweek, Washington Post and U.S. News and World Report. Our school is an academically rigorous, warm and caring learning community. Offering the benefits of a small school feel, along with the offerings of a much larger school, our students are challenged to engage themselves both inside and outside the classroom. Approximately 74% of our students participate in the fine and applied arts and through our award-winning film program; our music department, which has earned the Best Communities for Music Education designation by NAMM for seven consecutive years; and our art program, in which students earn awards at the county and state levels. This year, 44 students are attending a BOCES program and four students are attending Long Island High School for the Arts. Approximately 80% of our students participate in at least one sport.

The Community: Locust Valley is a dynamic, suburban community located approximately 25 miles from New York City. Locust Valley School District residents are involved, supportive and committed to educational excellence for all students. $90,000 in scholarships were awarded to the Class of 2025 by our community.

Enrollment: There are approximately 565 students enrolled in grades 9-12. The Class of 2027 consists of 167 students.

Accreditation: Locust Valley High School is accredited by the International Baccalaureate Organization and the New York State Board of Regents.

Our Mission: To educate the whole student and inspire in everyone a passion for lifelong learning. To provide a safe and nurturing environment dedicated to academic excellence and the development of a student's autonomy, accountability and commitment to community.

International Baccalaureate

In the Class of 2027, 16% (26/167) of students are IB Diploma Candidates

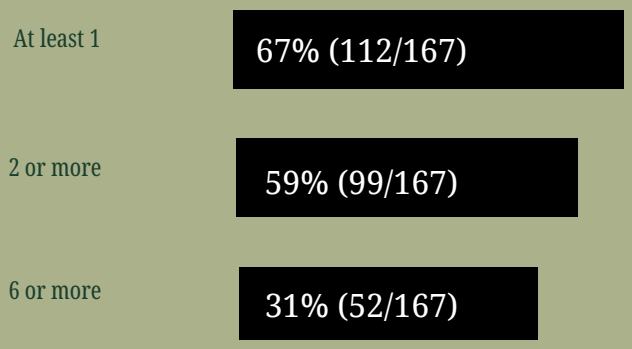

The International Baccalaureate Diploma Program is a demanding preuniversity course of study for juniors and seniors. The rigorous assessments and balanced curricula have gained the respect of major universities worldwide, as students are well prepared to succeed at university and beyond. Students choose their own level of participation, from taking one IB course to pursuing the IB Diploma, where candidates take no fewer than six IB courses and complete the following:

- *Theory of Knowledge is a one-year course designed to cultivate critical thinking as students question evidence and truth and investigate the construction, limits and integration of knowledge across disciplines.*
- *The Extended Essay is an independent, self-directed piece of research, finishing with a 4,000-word paper.*
- *Creativity, Activity, Service (CAS) - is designed to promote critical thinking and reflection as it related to service learning.*

Our IB program is open enrollment, thus giving all of our students the opportunity to take advantage of the rigorous curriculum.

Percent of Students

CLASS OF 2027
CUMULATIVE AVERAGES

Grade point average, computed at the end of junior year, includes all subjects with the exception of those courses in which only pass-fail grades are issued. Our unweighted senior class GPA distribution ranges from 66.25 to 99.09. Our weighted senior class GPA distribution ranges from 66.25 to 110.17.

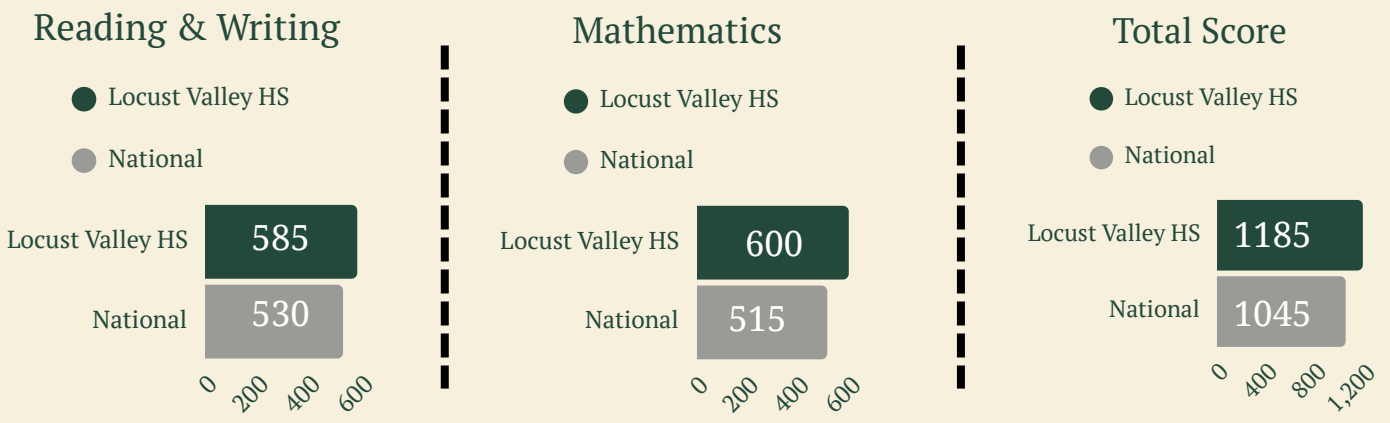

Because AP, Honors and IB courses are more challenging, grades are weighted to reflect the increased rigor of those courses. To receive the course designation and weighted credit on their transcripts, students must be enrolled in the underlying course and sit for all external assessments, as per AP and IB provisions. Our grade weighting policy is:

- Advanced Placement (AP) grades are multiplied by 1.15.
- International Baccalaureate (IB):
  - Higher Level (HL) grades are multiplied by 1.15
  - Standard Level (SL) grades are multiplied by 1.125
- Accelerated Honors grades are multiplied by 1.125
- Honors, Accelerated and Research grades are multiplied by 1.10

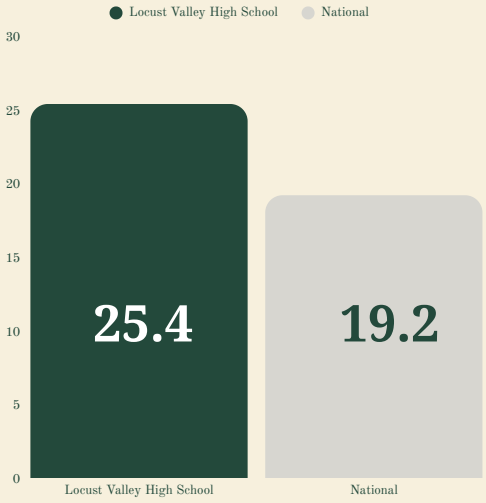

AP SCHOLAR & NATIONAL MERIT
CLASS OF 2026

- AP Scholar - 13
- AP Scholar with Honor - 4
- AP Scholar with Distinction - 6
- College Board School Recognition Award - 28
- National Merit Finalists - 3
- National Merit Commended Students - 2
- National Merit Semi-Finalists - 5

VISITS BY ADMISSIONS REPRESENTATIVES

College representatives are welcome to visit our school to meet with counselors and interested students. We host a series of fairs during the school day in the fall and an evening fair in the spring. If you are interested in participating, please contact our Counseling Office at 516-277-5130.
