Dear Kingston Community Schools Community,

I am incredibly excited to write to you today as I begin as Superintendent of Kingston Community Schools. It is an honor to join and lead a school community so deeply dedicated to the success and well-being of its students.

My primary focus as your superintendent is to ensure a supportive and innovative learning environment where every child feels they belong and can reach their full potential. This certainly aligns with the mission statement that says "We believe in developing creative minds, building leaders, fostering a love for community, and striving for excellence."

In the coming weeks, my goal is to listen, learn, and engage with as many of you as possible. I want to understand what makes our district unique and work alongside you to address our shared goals and challenges.

I am looking forward to a fantastic school year and to getting to know this school district and community.

Educationally Yours,

Jeffrey J. Yorke, Superintendent

Kingston Community Schools
