Cross County Youth Volleyball

3rd - 6th Grade Girls Program

We are excited to offer youth volleyball for girls in grades 3-6 at Cross County!

Our youth volleyball program is designed to help players learn the fundamentals of volleyball, build confidence, and grow as teammates in a fun and encouraging environment. Teams will be formed by grade level and will participate in the Polk County League (game details coming soon). **The season will begin September 13th.** Any tournament participation will be coordinated by your coaches.

There is a program fee of $35/youth. This fee covers jerseys, tournaments, and additional program expenses. Youth in 5th & 6th grade will check out a jersey from your coach. Youth in 3rd and 4th grade will be given a t-shirt as a jersey. This t-shirt will be used for both 3rd and 4th grade. Please try to size up if possible for growth.

Practice days and times will be set and communicated to families by your coach. Schedules will be shared once they are finalized. Most games are played on weekends and some evenings.

Coaches

Your coaches will be reaching out to families about practice times soon.

6th Grade - Morgan Peterson

5th Grade - Sami Nuttelman

4th Grade - Meghan Hammond

3rd Grade - Emily Peterson & Katie Wilgoki

Please return this form completed by Wednesday, August 19th. You can email a copy to the email below or return to the school. Make checks payable to Cross County Youth Volleyball.
