ANNUAL INTEGRATED PEST MANAGEMENT NOTICE

August 2026

Dear Parent, Guardian or Staff Member:

This notice is being distributed to comply with the New Jersey School Integrated Pest Management Act. The Fair Lawn Public School District has adopted an Integrated Pest Management (IPM) Policy and has implemented an IPM Plan to comply with this law. IPM is a holistic, preventive approach to managing pests that is explained further in the school's IPM Policy, which is available for review.

All schools in New Jersey are required to have an Integrated Pest Management Coordinator (IPM Coordinator) to oversee all activities related to IPM and pesticide use at the school.

The IPM Coordinator for the Fair Lawn Public School District: John Yobs
Telephone Number: (201) 794-5522 x6602
Address: Fair Lawn Board of Education
5-01 Bergen Avenue
Fair Lawn, New Jersey 07410

The IPM Coordinator maintains the pesticide documents and the Material Safety Data Sheet (MSDS when one is available) of each pesticide product that may be used on school property. These documents are available for review. The IPM Coordinator is also available to parents, guardians, and staff members for information and to discuss comments about IPM activities and any pesticides used at the school.

As part of a school pest management plan, our schools may use pesticides to control pests. The United States Environmental Protection Agency (EPA) and the New Jersey Department of Environmental Protection Agency (DEP) register pesticides to determine that the use of a pesticide in accordance with instructions printed on the label does not pose an unreasonable risk to human health and the environment. Nevertheless, the EPA and DEP cannot guarantee that registered pesticides do not pose any risk to human health, thus unnecessary exposure to pesticides should be avoided. The EPA has issued the statement that where possible, persons who are potentially sensitive, such as pregnant women, infants and children, should avoid unnecessary pesticide exposure.

IPM products used in the school district during the past 12 months in the 2025/2026 SY:

Advion Ant Gel Bait EPA Registration #100-1498, Advion Roach Gel Bait EPA Registration #100-1484, Tempo Dust EPA Registration #432-1373, Niban Granular EPA Registration #64405-2, First Strike Soft Bait EPA Registration #7173-258, Talstar P EPA Registration #279-3206, Gentrol IGR Registration #2724-351

If there are any questions regarding this notice, please call Mr. John Yobs at the number listed above.

Dr. Rui Dionisio, Superintendent of Schools

Jorge Cruz, Business Administrator
