The Staff

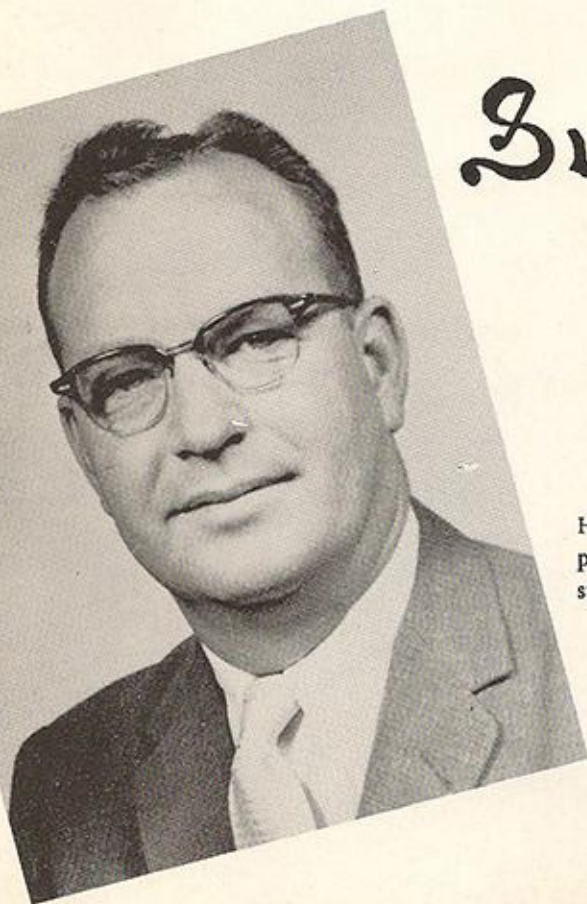

The Nunleys
(Priscilla, Billie, Bob, and Rebecca)

Superintendent

B. G. NUNLEY

He understands our problems, assists us with patience, listens to our complaints with a smile, and inspires us with confidence.

C. L. BERRY

"He knows all." His knowledge of student activities seems unending.

"He sees all." He is quick to notice areas for improvement.

"He hears all." He is the first to hear of the triumphs and shortcomings of SHS'ers.

Principal

The Berrys
(Mary, Mike, Cindy, and C. L.)

The Seasons Lelah Kinney Ayers

A message to us the seasons bear -
Of God's tender love and care:
Gifts of nature in his way
Come before us every day.

Summer with its birds and flowers
And its happy outdoor hours
Autumn with its leaves o' rehead
In hues of brown and gold and red!

Winter with its sparkling snow
And the sports that we love so:
Spring again, and all earth sings
With the hum of growing things!

The changing seasons come and go,
And we enjoy them all, yet know
We should thank God, for all things say,
"Our Father cares for us each day!"
