## TAKING TURNS

J. Don Hinson and Britny Robertson take turns scanning pictures for the yearbook.

PEOPLE in Spur High like to share all the good times!!!

# Sharing is caring

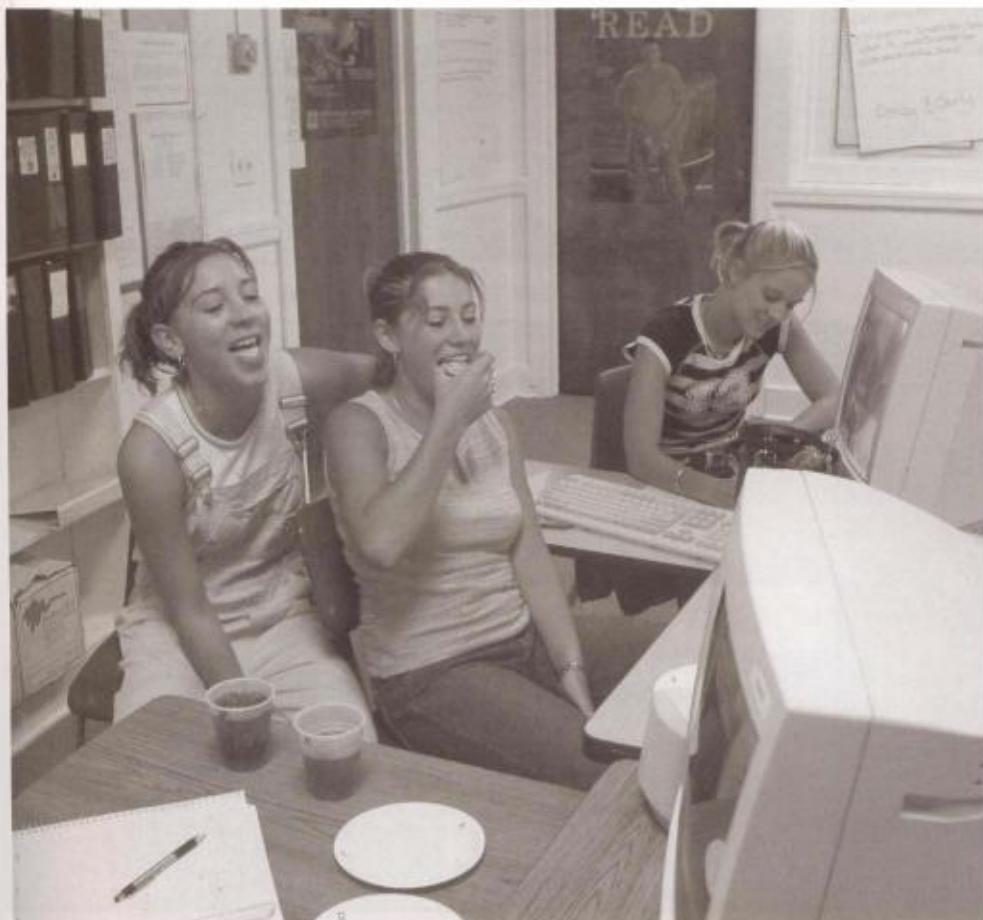

Walking through the halls of Spur schools, it is evident that students are eager to share every minute of every day. As friends pass each other or walk together to the next class, time is used to catch up on what is going on in each others' lives. One important characteristic of students is their caring attitude for everyone, not just their close friends.

TRISHA DAY!!!! While the rest of the cheerleaders paint signs, Trisha likes to pose for the camera. I bet they are all working hard except for her!!

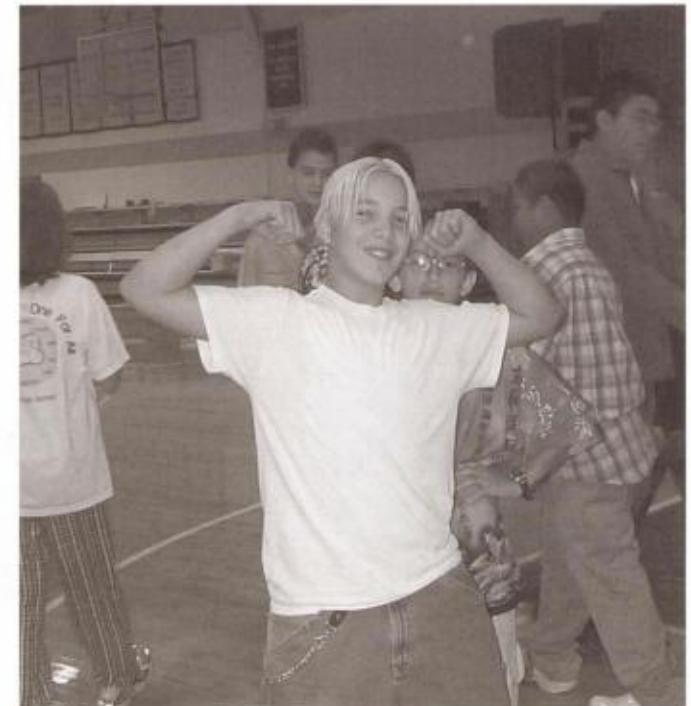

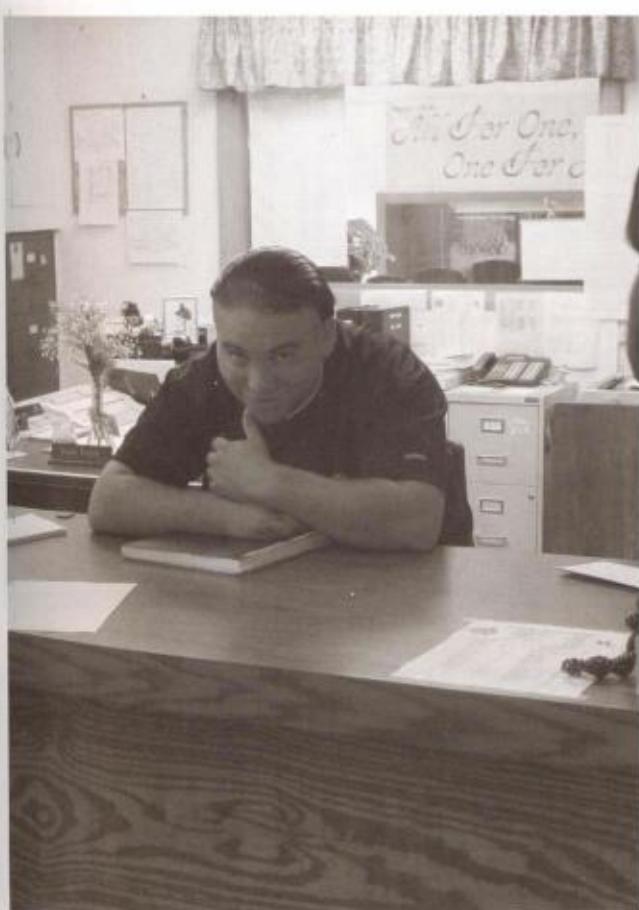

BRITNY ROBERTSON, MICHELLE VARGAS, AND KELSIE HILL share their ideas about what the yearbook cover should look like! They did a good job, huh?

CLOSE YOUR MOUTH!! Misty Harris and Lindsay McNeill like to share their food with the rest of their class. Maybe if they close their mouths, they would have more friends.

IT'S OUT OF HERE!!! C.J. Walker is about to bat in the first day of school softball game. I bet he got a homerun!!

AREN'T YOU SUPPOSED TO BE WORKING?? Eric Gutierrez is an aid in the office, I think Mrs. Jones needs to share some of her work with him!!

LOOK AT THOSE MUSCLES!! Where did they go?? Stoney Charles flexes for the camera. He's always trying to impress the ladies!

SPORTS is a great way to get into the school spirit!

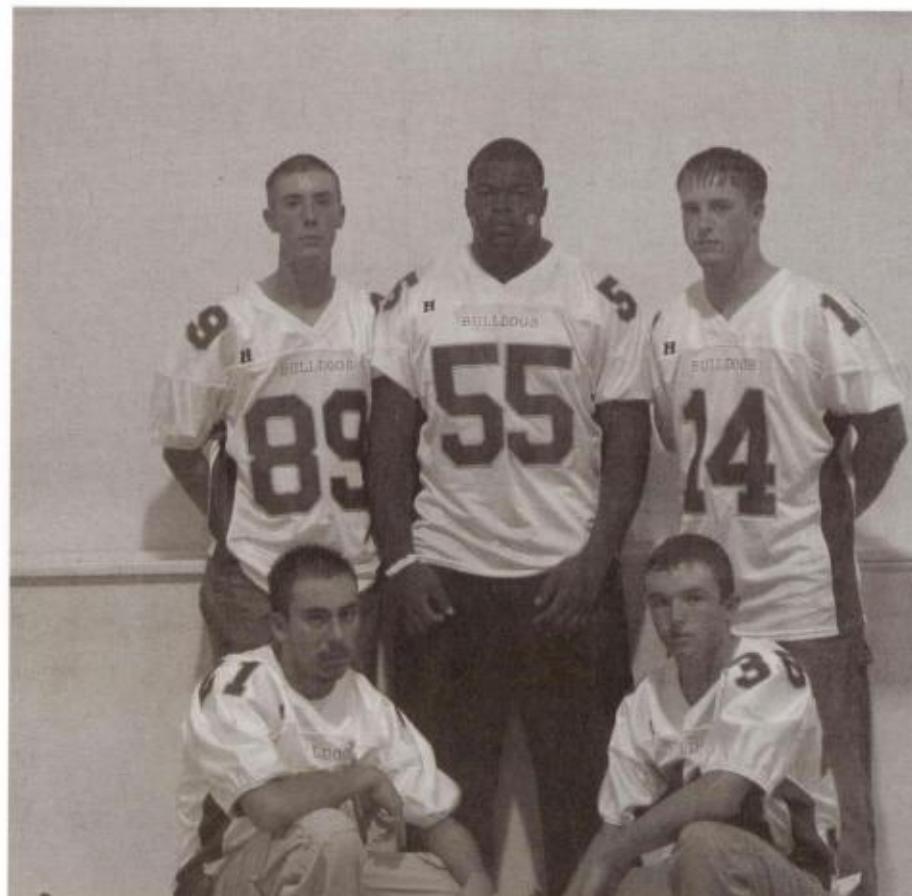

## Sharing the spirit

Blue and gold spirit is alive and well at Spur High School. Fans and athletes join together throughout the year building Bulldog and Spurette fever to a new high and share the special moments in competition. Spirit is continually shared across the field, on the courts, and around the track encouraging student athletes to perform at their best level.

RUN, SYDNEY, RUN! Sydney Robertson is about to cross the finish line after running the 1600m run. I'm glad she's the one having to do that and not me.

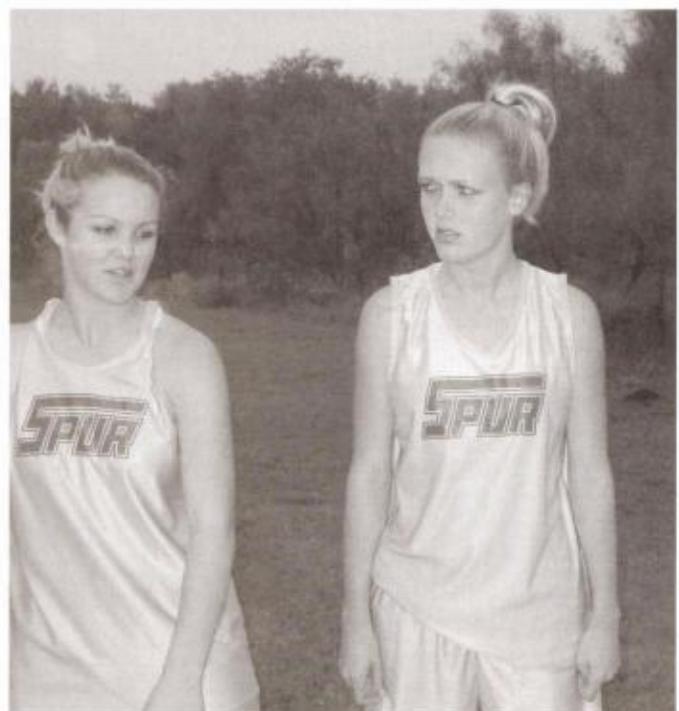

THE DOGS! Senior football players Matt Hindman, C.J. Walker, J.Don Hinson, Edward Escamilla, and Wesley Brendle pose for a picture after the pep rally. They sure look mean don't they?

THOSE ARE SOME UGLY CHEERLEADERS! The Spurette's dads get a little peppy for the pep rally to try to help the team along. I think everyone's glad they only had to see that once!!

AWWW! HOW CUTE! Ashley Key and Kandes Walker pose after they have just won another playoff game. They just couldn't quit smiling.

HURRY, HURRY, HURRY! Mark Tagle hands off the stick to Logan Timberlake. I hope that they can catch the people in front of them.

THEY GOTTA RUN AGAIN! Kelsie Hill doesn't look as excited to run as Britny Robertson does. They had to run a lot of cross country meets, I wouldn't blame her for not looking forward to it.

**FASTER FASTER FASTER!!!** Matthew Olivarez, Ricki Rivera, Coach Legan, Glenn Toumberlin, and Drew Baker wait for all the girls to cross the finish line so they can get their times.

**LOOK AT HIM GO!!**  
Justin Lively looks really tired as he races to the finish line at the Guthrie cross country meet.

#### I WONDER IF THESE GIRLS ARE WATCHING ME???

Cody Schmidt is trying not to act tired so he can impress all the girls as he passes by them at the cross country district meet.

Different CLUBS let different people share their skills with others.

## Sharing the experience

There are plenty of activities throughout the school that adds excitement and fun to the regular school routine. But membership in an organization gives students a chance to use the skills they learn in the classroom to practice in the real world. Spur High School offers a large variety of organizations for membership to the students. All one has to do is make a choice on how to spend their time.

**YELL IT, LINDSAY!** Lindsay McNeill shows her spirit by doing a cheer for the Bulldogs. She sure is getting into it isn't she!

**SMILE KELSI!** Kelsi Arnold doesn't look too happy. Ag can't be that tough, maybe the sophomore boys have been pestering her again.

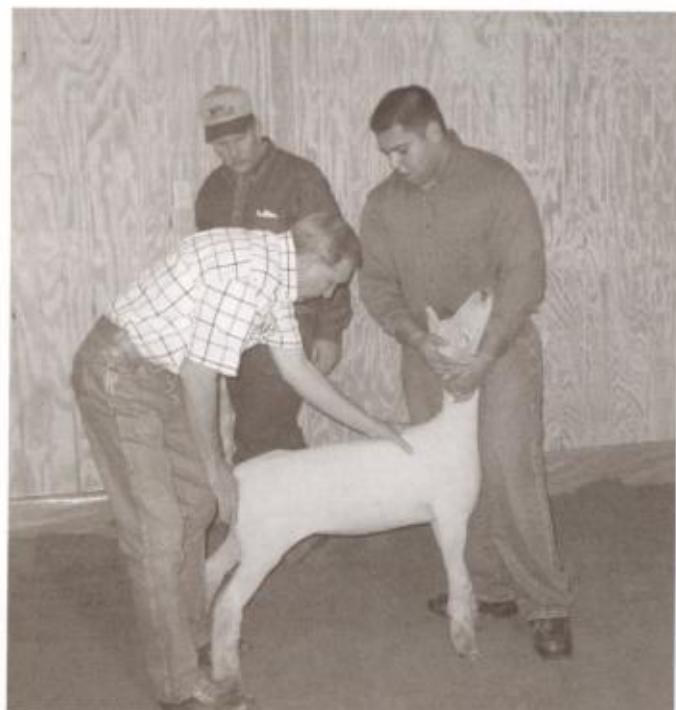

AREN'T THEY CHEESIN'! Allison Chastain and Denise Condron smile for the camera at the NHS Induction Ceremony. I bet they are happy cause they got to eat cookies!

TAKE IT OFF! Jacob DeLeon looks surprised when the camera snaps a shot of him undressing after their band performance. Maybe he should look around before he starts stripping.

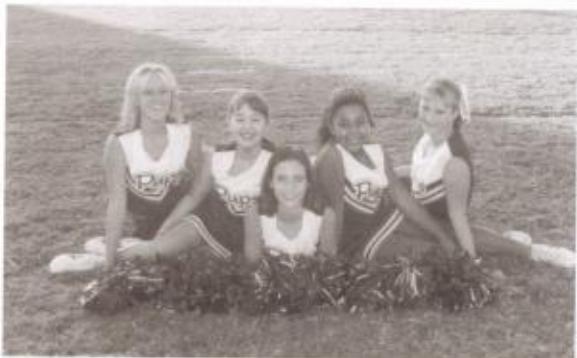

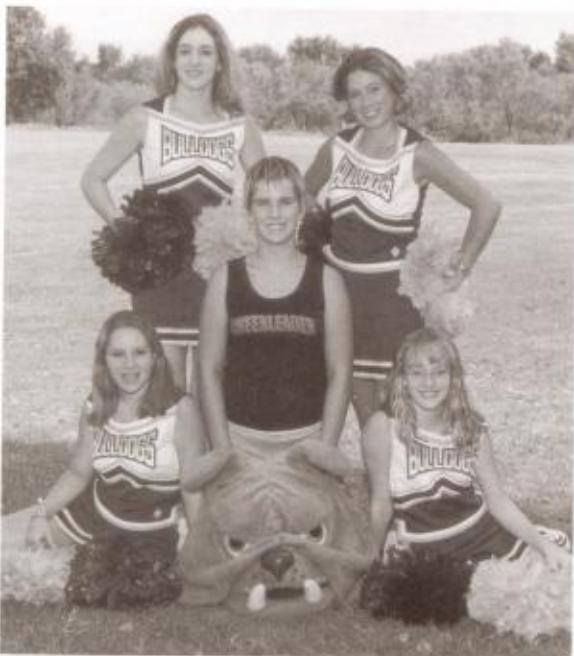

AREN'T THEY PROFESSIONAL! Rich Toumberlin, Denise Condron, and J.Don Hinson stand in front of the ocean while posing for a picture. They look like they are having fun at the State BPA Contest in Corpus Christi!

SHOW THAT SHEEP! Anthony Segura shows his sheep and watches while the judge examines it. It was his first year with sheep and he did a real good job.

ACADEMICS is the "fun" part of school!

# Sharing the smarts

Students are always sharing their knowledge with one another at Spur High.

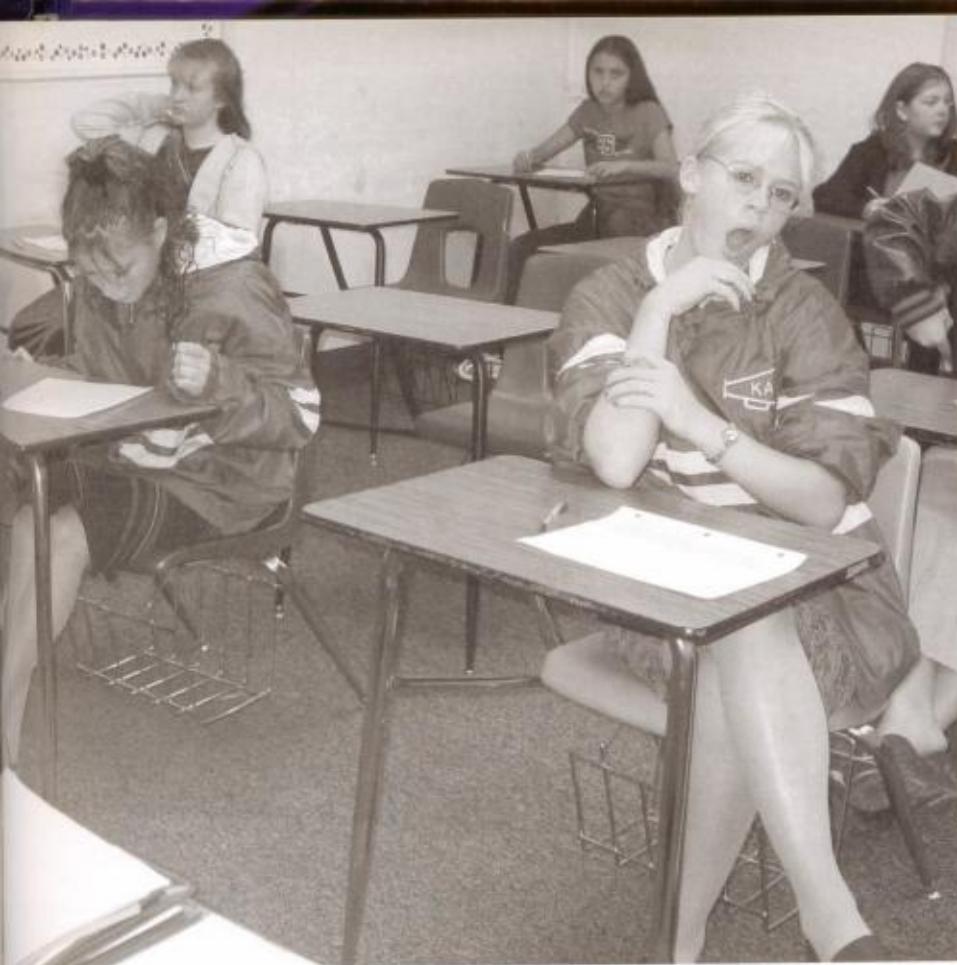

Teachers strive to create fun and interesting projects to make our learning experiences more enjoyable and relaxing. Of course, there are always those special students that will wait until the last minute to start a major assignment, and that's when the memories become stressful.

TURN AROUND! I don't think that Melissa Mendez is paying too much attention to her work. Maybe its just because she doesn't like to pose for the camera.

TELL IT BRITTANY! Brittany Long shows everyone her "ME" poster in Mrs. Ball's class. She's learning speaking skills and telling everyone about herself.

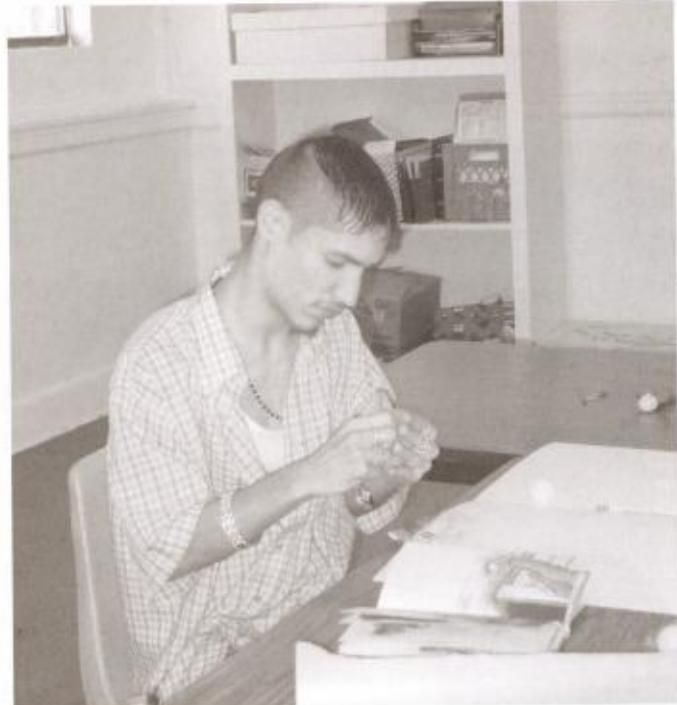

**ARE YOU SLEEPY?** While Heather Smith does her work, Kati Hill doesn't look near as concentrated on hers. That must be some boring stuff.

**WORKING HARD?** Elizabeth Sharples works on completing her booth display for the job fair presented by the sophomore class. Mrs. Ball and Mrs. Howell's classes prepared and presented the day-long presentation.

**WHAT'S SHE LOOKING AT?** Carl Lockley sure is looking at that computer pretty hard. We can't see what's on there, but I can just imagine!

**CUT, PASTE, GLUE!** Eli Medina cuts things out of a magazine and pastes them onto a poster. There are a lot of posters being made.

**HARD WORKING MAN!**  
Ricky Rivera, Chelsey Dillashaw, Glenn Toumberlin, Trent Day, Trisha Day, Nikki Beatty and Dustin Kelso work to get their reading done while a camera flash keeps going off.

**IS IT RIGHT?**

Alex Gonzales and Fernando Cabellero work hard concentrating on their technology applications assignment in the junior high lab.

**C.J., WORKING?** C.J. works hard at looking like he is working when a camera is around. But he did get a little busier as deadlines crunched around.

In ELEMENTARY you make some of the most memorable memories to be shared in high school.

# Sharing is caring

The elementary students have fun in the classroom and on the playground. Elementary teachers help their students learn valuable lessons while having fun times with their friends. These are the memories that they will be able to share with each other when they get older. And everyone works to make the most of it, because you can't go back.

WHAT'S THAT LOOK FOR?  
Jenna Legan doesn't look like she's having too much fun. She's got a while to go until she gets out of school, I hope it's not as bad as she makes it look.

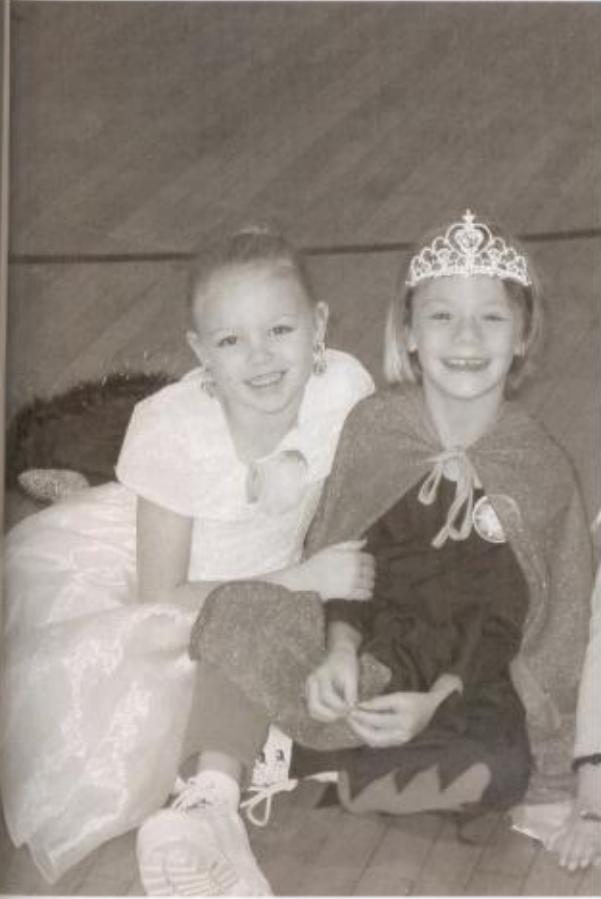

THEY SURE ARE HAPPY! Principal Webb and Mrs. Alderman pose with a few students for a picture. See how much the students are loved at Spur.

COWBOY UP! Tanner Arnold smiles for the camera while Landon Hinson sits on the victory bell. They got to ring it a few more times this year than they did last year.

WHAT ARE YOU DOING? Regan Lowrey is smiling a little too big at the camera. I wonder what she is up to.

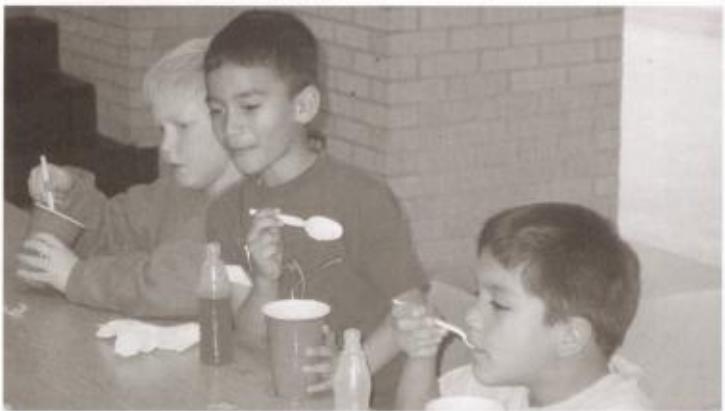

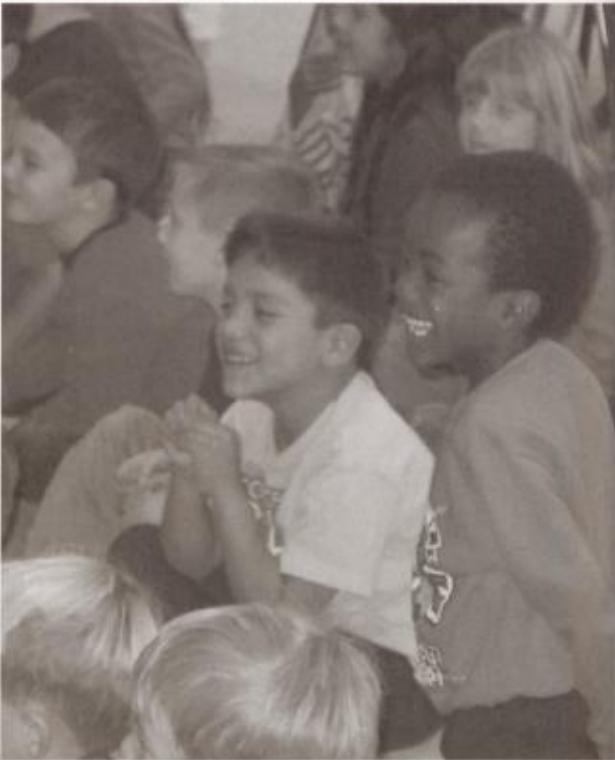

AREN'T THEY CUTE! Chrissy Adams and Shelby Castenada dressed up as princesses for Halloween. They sure do look sweet.

WHAT'S HE DOING? Braxton Moore looks at the camera during his P.E. class. I don't think he's doing what he's supposed to, but most of them aren't.
