VIII. Public Comment:

Sara Vickery makes a statement regarding bullying in schools specifically in sports teams. She gives the board and administrative team praise for their continuing efforts toward fighting bullying in our schools. She continues to speak about being a substitute in Wellsboro School District, primarily K-4. She expresses that M. Ryan was her favorite classroom to sub in and that students love her. She continues to say it is saddening to see her not as the principal of the elementary schools any more. She would like to know if the transfer to a teaching position is what M. Ryan truly wanted. She asks the board to consider keeping her as the elementary principal instead of having her transfer.

IX. Adjournment: Motioned by G. Reese, Seconded by D. Nowak at 6:04PM
