

LA GRANGE HIGH SCHOOL

HOME OF THE LEOPARDS

La Grange High School Parents, Guardians, and Community Members,

The halls of La Grange High School are quiet, but in 4 short weeks, they will be filled with the excitement of learning! I hope you are having a restful and rejuvenating summer. I am excited to kick off another incredible year of growth, learning, and achievement.

It is an absolute privilege to introduce myself as your new Principal. While the role is new, the community, the traditions, and many of your faces are deeply familiar to me. Having served as your Assistant Principal for the last five years, I have seen firsthand the dedication of our teachers, the passion of our community, and the limitless potential of our students. I am incredibly honored to transition into this new chapter alongside you, and I remain fiercely committed to ensuring La Grange High School is the best place to learn.

As we look to the future, we are introducing a few exciting initiatives this year designed to strengthen our school culture and build tighter bonds with our families.

Focus on Communication

Student success is built on the foundation of a strong partnership between home and school. This year you can expect more consistent and transparent communication regarding school events and student achievements. We want to ensure you always feel informed, connected, and heard.

A few avenues for this communication will include a renewed focus in our School Newsletter, as well as our newly launched La Grange High School Facebook Group. You can join our community here: <https://www.facebook.com/share/18ori1F3uW/?mibextid=wwXIfr>

Principal's Council

I am a firm believer that student voice should drive school culture. This year, we are launching the Principal's Council, a leadership opportunity for our students. This group will serve as a direct line of communication between the student body and administration.

- **The Mission:** Council members will actively seek input from their peers regarding building changes, campus environment improvements, and student life.
- **The Goal:** To give our students a platform for leadership, ensuring they have a seat at the table as we make decisions that impact their daily high school experience. More details on how students can apply will be shared soon!

Our focus this year is to strengthen our roots in our community and traditions, while driving an increase in student success. I am grateful to be a part of the Leopard Community! Please never hesitate to reach out with questions, ideas, or just to say hello. Thank you for your continued support, your trust, and your partnership. Let's make this the best year yet!

Upcoming Events at LHS:

August 3: 1:00 PM - New Student Orientation / 5:00 PM - 6:30 PM - Open House / 7:00 PM - Meet the Leopards

Warm Regards,

Nathan Truex
Principal, La Grange High School
