INAUGURAL 'BATTLE OF THE BLUFF' A RESOUNDING TRIUMPH!

La Grange High School made history this past weekend as it played host to the inaugural Battle of the Bluff Marching Band Competition!

The air was electric and the stands were packed as 23 high school marching bands from across the region descended upon Leopard Stadium to showcase their precision, passion, and musical power.

While visiting bands competed for top honors, our very own La Grange High School Marching Band took the field to perform a stunning, high-energy exhibition performance. The LHS band proved once again why our community is so proud of their talent, discipline, and dedication.

An event of this magnitude doesn't happen without an incredible team working behind the scenes. A massive THANK YOU goes out to: The Mighty Leopard Band Booster Club, LGISD Staff, Parents, and City of La Grange!

Homecoming Mum Message

Mums are a beloved Texas tradition, and at LGISD, our tradition is to wear them at the Homecoming game! Keeping mums at the game helps ensure all students feel included at school. Also, remember there is no school on Homecoming day due to our hybrid schedule. Hold onto those mums and bring them to the game to celebrate!

Thank you for your understanding!

Educating future Educators

La Grange High School is shaping the future of education through its hands-on Ready, Set, Teach! program. Designed for aspiring educators, this course gives high school students a head start on building foundational teaching skills. Students dive into pedagogical theory by mastering lesson planning, classroom management, and breaking down Bloom's Taxonomy to foster higher-order thinking.

Beyond the textbook, participants step into classrooms as instructional interns alongside veteran LGISD mentors. Working directly with young students allows them to put theory into practice while discovering the real impact of teaching. Through this pathway, LGISD isn't just educating current Leopards—it's preparing the district's future teachers.
