QUESTION

Shall Lawson Reorganized School District No. R-XIV of Ray County, Missouri, issue its general obligation bonds in the amount of $3,000,000 for the purpose of acquiring, constructing, repairing, improving, extending, remodeling, renovating, furnishing, and equipping new and existing school facilities, including but not limited to the following:

- **Constructing an Agriculture Education Learning Lab space, including an agriculture mechanics shop and classroom**
- **Parking lot pavement repair and overlay**

If this proposition is approved, the District's debt service tax levy is estimated to remain unchanged at the current debt service tax levy of $1.0051 per one hundred dollars of assessed valuation of real and personal property.

Recommendation:

The Board will need to have a motion and a vote of approval to place the $3,000,000 bond issue on the April 7, 2026, ballot.
