FROM THE DESK OF THE SUPERINTENDENT

Dear Lawson School Community,

As we move through the late winter months and begin to look ahead to the promise of spring, I want to take a moment to reflect on the tremendous strength, generosity, and positivity that continue to define the Lawson R-XIV School District.

Lawson is more than a school system; it is a community rooted in care, commitment, and a shared responsibility for our students. I see that support in action every day. It shows up through quiet heroes who may never seek recognition: individuals and organizations who ensure students in need have access to school breakfast and lunch; community members who step in to give a student a ride to school on a cold, dark morning so they can receive additional tutoring and support; and devoted workers and volunteers who have a passion for Cardinal athletics and activities and serve as champions for our students. From loyal fans to volunteer coaches, gate workers, and table workers, these individuals give their time, energy, and heart to support our students in meaningful ways, and we are better because of them.

This same spirit of service is reflected in the strong core of community members who are willing to serve on the Lawson R-XIV Board of Education. These individuals provide leadership and perspective that help guide our district forward, always keeping students at the center of their work. One such individual is Mr. David Allgaier, a lifelong Lawson Cardinal who has faithfully served on the Lawson School Board since 2008. As he concludes his 18th year of service, Mr. Allgaier has chosen to pass the baton. Over nearly two decades, he has provided steady leadership, thoughtful insight, and an unwavering commitment to Lawson Schools' success. His dedication has

left a lasting impact on our district, and we are sincerely grateful for his years of service.

I am also pleased to share the continued progress made possible through the 2024 No Tax Rate Increase Bond. One major project now completed is the installation of new lighting at the baseball field, a long-awaited improvement that enhances safety, accessibility, and opportunities for our student-athletes and community. We are also excited about the soon-

DR. MICHAEL STEPHENSON
Lawson R-XIV
Superintendent

to-be-installed preschool playground, which will provide a safe, engaging, and developmentally appropriate space for our youngest learners. These projects reflect our community's investment in both today's students and future generations of Lawson Cardinals.

Looking ahead, I am excited to share that the Board of Education plans to place a No Tax Rate Increase Bond question on the April 2026 ballot for the construction of an Agricultural Learning Lab. This proposed facility would build upon the growth of our agricultural education program by expanding hands-on learning opportunities in areas such as agricultural mechanics, welding, and construction. If approved by voters, the project would begin in the fall of 2026, with the goal of having the facility ready for student learning by August 2027.

As winter gives way to spring, I remain incredibly optimistic about what lies ahead for Lawson.

Thank you for your continued trust, support, and partnership as we work together to ensure our schools remain places where students excel, and community pride runs deep.

It is always a great day to be a Cardinal.

Dr. Michael Stephenson
Superintendent
Lawson R-XIV School District

KINDERGARTEN ENROLLMENT FOR THE 2026-27 SCHOOL YEAR

Please pick up an enrollment packet in advance at Southwest Elementary beginning Feb. 1.

Kindergarten Round Up (enrollment) will be held from 5-6 p.m. on Wednesday, Feb. 26 and Wednesday, March 25 at Southwest Elementary. To be admitted to kindergarten for the 2026-2027 school year, your child must be five years old before Aug. 1, 2026. Parents may come in any time from 5-6 p.m. to turn in their completed paperwork.

Essential paperwork for enrollment at Southwest Elementary:

- Copy of Birth Certificate
- Copy of Immunization Records
- Enrollment Affirmation (signed and notarized)
- Two proofs of residency in Lawson School District

Examples include:

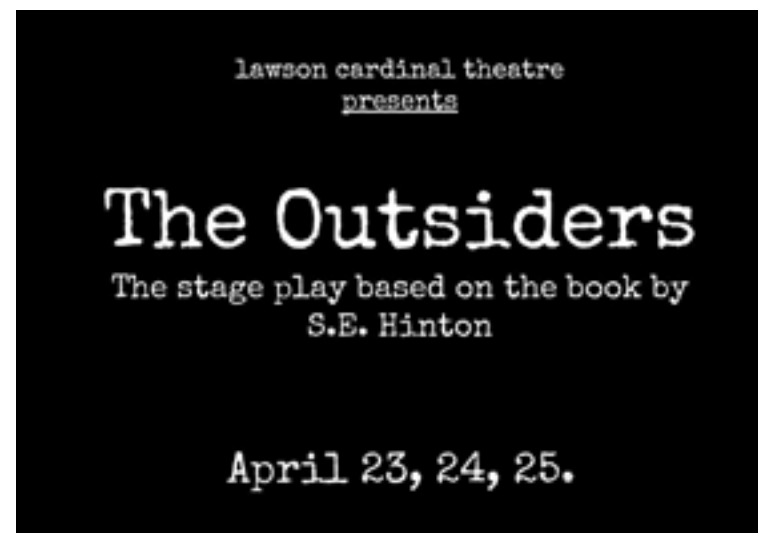

- Utility bill
- Mortgage statement
- Lease/rental agreement
- Property Tax statement

Your child does not need to be present at enrollment.

Parents will have the opportunity to meet some of the kindergarten teachers and sign up for kindergarten screening, which will be held in the evenings throughout the spring. This screening enables the teachers to plan more appropriately for instruction. There is no "pass/fail" on this test.

During kindergarten enrollment, parents will also be able to sign up their children for Summer School.

Early enrollment is important so that we can be prepared when school begins in the fall. Please call Southwest Elementary at 580-7272 if you have any questions.

PRE-SCHOOL ENROLLMENT FOR THE 2025-26 YEAR

Southwest is looking for new Nesters! Information about the 2026-2027 preschool program at Southwest is below. Families that are residents of the Lawson School District and have a child(ren) who will be three before August 1, 2026 are eligible. Interested families should use the link or the QR code on the flyer to register for a screening.

<http://bit.ly/4qQrWWT>

(A limited number of spots are available - Screening does not guarantee acceptance. Transportation is not provided for preschool. The District will use the student screening and other evaluation processes to determine acceptance.) Please contact Southwest Elementary's office (816) 580-7272 if you have any questions.

Lawson Cardinal Theatre performs, "The Outsiders," which follows 14-year-old Ponyboy Curtis, a "greaser" in 1960s Oklahoma, as he navigates intense rivalry between his poor, working-class gang and wealthy, privileged "Socs." After a deadly confrontation where Ponyboy's best friend Johnny kills a Soc, they go into hiding, leading to heroism during a church fire but also tragedy. The play explores themes of loyalty, class conflict, and finding common humanity. Ultimately, Ponyboy realizes the deep bonds of friendship and the shared struggles that connect everyone. **Show Dates:** April 23, 24 and 25.

Box Top Collection has gone digital! To help turn your boxtops into funds for our school, download the Box Tops App today. Instead of clipping, you just scan your receipt and add funds automatically. For more information, go to <https://www.boxtops4education.com/>

LOOKING AHEAD: FOURTH QUARTER SCHEDULE CHANGES AT LHS TO CREATE CARDINAL TIME

Lawson High School continually looks for ways to support student learning while honoring the wide range of opportunities available to our students. As participation in athletics, activities, and academic events continues to grow, so does the need to protect valuable instructional time, particularly late in the school day. Cardinal Time was created with this goal in mind.

Cardinal Time serves as a dedicated instructional block designed to address a long-standing challenge, students missing full class periods due to early dismissals for events and competitions. When students leave during seventh hour, they can miss a significant

amount of instruction over the course of a season. Cardinal Time allows teachers to deliver essential content, provide direction, and clarify expectations before students depart, helping reduce academic gaps and stress. This additionally allows time for ALL students who may be in need of tutoring.

This time is intentionally structured. Cardinal Time is not free time; it is used for instruction, review, and teacher-led learning opportunities. Expectations are clear that students remain in classrooms, movement is limited, and instructional priorities come first. This structure ensures consistency across classrooms and

maximizes the benefit for all students. Under the updated fourth-quarter schedule, beginning March 10, the school day will include slight adjustments to class periods, with each class shortened by approximately five minutes. Students will rotate through lunch between 10:39 a.m. and 11:53 a.m. before resuming instruction in fifth hour. The reclaimed instructional time will be used for Cardinal Time, scheduled from 1:35–2:01 p.m., followed by seventh hour from 2:05–3:00 p.m.

By adjusting the daily schedule and implementing Cardinal Time, Lawson High School reinforces its commitment to both academic excellence and student involvement. Cardinal Time ensures that students can fully participate in activities while staying connected to classroom learning and supporting success in school, in competition, and beyond.

Health Room HIGHLIGHTS

Happy New Year from the health rooms. It is good to be back at school this new year. Last winter it seemed like there was a norovirus (dreaded winter vomiting bug) going around when we got back from winter break. This year, while we are seeing some stomach bugs, influenza (flu) seems to be what people are coming down with most. The Missouri Department of Health and Senior Services has indicated that the number of influenza cases this year is increasing faster and earlier than is usual for flu season. Nobody wants to be sick and there are things that we can all do to help maintain a healthy environment for ourselves and for those around us.

The flu causes sudden fever, cough, sore throat, body aches, headache and fatigue and spreads easily through respiratory droplets from coughs/sneezes or just talking, by touching a contaminated surface before touching your face. People can be contagious for several days before symptoms even appear which is why we need to be ever vigilant with our healthy habits.

Here are some ways that we can help curb the spread of the flu:

Vaccination: Consider getting annual flu shot to reduce your risk

Hand Hygiene: Frequent handwashing with soap and water or using hand sanitizer

Cover Coughs/Sneezes: Always cough/sneeze into a tissue or your elbow

Stay Home: Avoid school/work until fever-free for 24 hours without fever-reducing medicine

There are some antiviral medications that can be taken for influenza under certain circumstances. Most people are able to manage their flu symptoms at home and recover within a few days to a week. Symptoms can usually be managed with over-the-counter medications, rest and hydration. If symptoms are severe or don't start improving after several days, you should seek medical attention from your health care provider.

IMMUNIZATIONS

It's not too early to start planning for next school year. Check with your health care provider or local health department if your student will be needing immunizations before the start of next year. The school must have documentation of

state required vaccinations before the first day of school in August—currently, there have been no changes to the required immunizations. Proof of immunizations or exemptions can be turned in to either school nurse office at any time. Refer to the district website for a complete list of required immunizations. Especially important for:

- Students entering Kindergarten in the fall
- Students entering 8th grade—required to receive one dose of Tdap vaccine and one dose of Meningococcal (MCV) vaccine
- Students entering 12th grade—required to have a total of two doses Meningococcal (MCV) vaccine prior to the first day of school unless the first dose was administered after 16 years of age.

The Ray County Health Department (RCHD) is a good resource for vaccines and vaccine-related questions. The RCHD is located in Richmond and can be reached at 816-776-5413.

CONTACT INFO

Please feel free to contact **Tina Murdock**, BSN, RN, NCSN (SW School Nurse) at 816-580-7272 or **Brittany Sousley**, RN (MS/HS School Nurse) at 816-580-7279/7270 with any questions or concerns.

BOND TO BUILD

The Lawson Board of Education has prioritized expanding career exploration opportunities for students, including woodworking, agricultural education, and the creation of a Lawson FFA Chapter—programs that have seen strong student interest and growth. To support this vision, the Board approved placing a No Tax Rate Increase Bond question on the Apr. 7, 2026, ballot.

If approved, the bond would generate \$3,000,000 to:

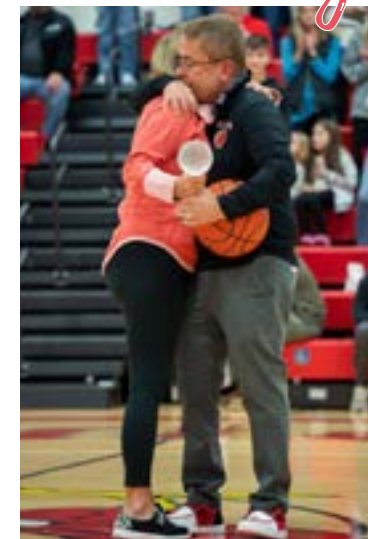

- Construct a 4,000 sq. ft. Agricultural Learning Lab with dedicated shop space for agricultural construction, carpentry, woodworking, and metalworking.
- Renovate existing classrooms to provide additional lab and classroom space.
- Complete paving of the home football and student parking lots to improve safety and accessibility.

COACH GARY BELCHERS EARNS

400th Career Victory

Head boys basketball coach **Gary Belcher** accepts recognition for his 400th career win, which came against Trenton on Jan. 7. He hugs his wife, Debbie Belcher, during his celebration at home on Jan. 9. *Photos by Brooks Blair*

This bond would allow the district to expand hands-on, career-focused learning opportunities for students enrolled in agricultural education and related career and technical education pathways. The project is designed to enhance experiential learning and workforce preparation, without increasing the current tax rate.

Additional election-related information, including detailed project plans and timelines, will be provided to the community before the vote.

BACKGROUND AND STRATEGIC FOCUS

The Board of Education identified updating curriculum offerings to engage students in career exploration as a priority goal when adopting the District's Strategic Plan in 2023. This focus was reinforced when the Board designated it as a priority for the 2023–2024 school year. Since then, the District has significantly expanded students' career exploration opportunities, including:

- Adding introductory woodworking courses, which have reached maximum enrollment.
- Developing an agricultural education program and FFA chapter, after gathering input from students, parents, and community members. Feedback was overwhelmingly supportive.

Following careful consideration, the Board approved the agricultural education program and FFA chapter in spring 2024, with implementation, official state recognition, and FFA chartering occurring in fall 2024. Now in its second full year, the agricultural education program and FFA chapter continue to grow, providing meaningful, hands-on learning experiences for students and preparing them for future career opportunities.

Lawson High School proudly recognizes Boys Varsity Basketball Head Coach **Gary Belcher** for earning his 400th career high school coaching victory on Wednesday, Jan. 7, 2026.

Coach Belcher reached the milestone while leading the Lawson Cardinals, adding another achievement to a distinguished coaching career that spans multiple programs and decades of success. In his five seasons at Lawson High School, Coach Belcher has continued to build a competitive and respected Cardinals basketball program, highlighted by a Class 3 district championship in 2024.

Prior to his tenure at Lawson, Coach Belcher coached four seasons at Lathrop High School, earning 53 wins. He added 62 victories at Warrensburg High School, followed by a highly successful run at Kearney High School, where he accumulated 137

wins. While at Kearney, Coach Belcher guided the Bulldogs to the 2010 Class 4 state championship and a second-place state finish in 2009. His accomplishments during that period earned him Missouri Basketball Coaches Association (MBCA) Class 4 Coach of the Year honors in 2010. Coach Belcher also coached at Benton High School, where he recorded 101 career wins.

Across all five programs, Coach Belcher's 400 career victories reflect not only sustained on-court success, but also a lasting impact on student-athletes through leadership, discipline, and a commitment to excellence.

Lawson High School, home of the Cardinals, congratulates Coach Belcher on this historic milestone and thanks him for his continued dedication to the school, community, and the game of basketball.

FUNDRAISING, VOLUNTEERISM & NATIONALS HIGHLIGHT BEGINNING OF PROGRAM’S SECOND YEAR

ANNA TRIPLETT
LHS Agriculture Teacher & FFA Sponsor

Lawson FFA has had a very busy year! At the beginning of October, we hosted our First Annual Burger and Fry Night Fundraiser in partnership with the Student Council’s Powderpuff Football Game. It was a huge success! Members worked tirelessly to make delicious homemade french fries and cheeseburgers. We cannot thank the community enough for your outpouring of support! During the last week of October, members attended National FFA Convention in Indianapolis, Ind. Twelve Lawson FFA Members were given the opportunity to experience this once-in-a-lifetime trip. Members got to tour the Gateway Arch, Busch Stadium, Marcoot Jersey Creamery, Hunter’s Honey Farm, Beasleys Apple Orchard, and Not Just Popcorn. Members also took in the Ella Langley

concert and spent a very full day with other FFA Members at National Convention. This trip opened members’ eyes to just how diverse agriculture and FFA are. It is truly a trip that they will not soon forget. Lawson FFA members have spent every first and third Thursday of each month since August volunteering at the Lawson Food Pantry. Members help stock shelves, distribute food, load cars, and perform any other job that needs to be done. This has been a wonderful opportunity for our members to give back to our community. Members love seeing the impact their volunteering has on their own community. As we look forward to 2026, members are gearing up to begin working on Career Development Events. We are also planning a wonderful FFA Week that will showcase all the wonderful things Lawson FFA has to offer!

Choir Students COLLECT MORE ALL-STATE HONORS

AMANDA COVEY
LMS/LHS Vocal Music Teacher

Our Lawson students continue to bring in All-State Honors. The week of Jan. 27 - 31, three of our Lawson students were a part of the 88th Annual Missouri Music Educators Association Conference held at Tan-Tar-A Resort in Osage Beach, Mo. **Clarabelle Irby** and **Hadley Williams**, 5th grade students from Lawson Middle School, were a part of the 6th annual Missouri All-State Children’s Choir. These two students auditioned in September through a recorded process. They were two of nearly 200 students selected from across the state of Missouri. They rehearsed all day Tuesday, Jan. 27 under the direction of Mr. Greg Gilpin, an award-winning choral composer and Missouri native. Clarabelle and Hadley make 10 5th grade students from Lawson to be a part of this prestigious ensemble. After rehearsing all day, they performed for family, administrators, and directors at 4:30 p.m. to kick off the annual conference. Senior **Aleah Johnson** was a member of the Missouri All-State Choir for the second year in a row. She is the first student from Lawson to be named to this very selective choir two years in a row since Mrs. Covey began teaching at Lawson in 2008. Prior to Aleah, only one other student under Mrs. Covey’s tenure was on the list twice. Landon Lampkin was selected as a tenor in 2013 and then as an alternate in 2014. Gaining membership into the All-State Choir is very difficult. To be a two-time member of the ensemble is a tremendous feat. Four students, two alternates, and four honorable mentions were selected from each voice part in the Northwest District. The top sixteen students and eight alternates attended a mandatory eight hours of rehearsal prior to traveling to Tan-Tar-A. Upon arrival, the students spent three days rehearsing under the direction of Edith A. Copley, a regents’ professor emeritus at Northern Arizona University. The week and conference concluded with the All-State ensemble performances. The All-State Orchestra, All-State Jazz Band, All-State Choir, and All-State Band members performed for a packed house made up of parents, teachers, administrators, and other directors from around the globe.

CLARABELLE IRBY & HADLEY WILLIAMS

ALEAH JOHNSON

LHS YEARBOOK STAFF EARNS National Award

We are excited to announce that the 2025 Lanidrac yearbook staff earned the national Columbia Scholastic Press Association (CSPA) Crown Finalist award. Forty-three yearbooks published during the 2024-25 school year were chosen as finalists and will receive either a Gold or Silver Crown Award, to be presented Friday, March 20, 2026, at the CSPA 102nd Annual Spring Convention. Crown Awards honor top student publications and are the highest recognition given by the CSPA. Finalists are selected for overall excellence in a head-to-head comparison by category. During Crown adjudication, publications are judged for excellence demonstrated through design, photography, concept, coverage, and writing. A total of 526 publications were eligible for judging in the 2026 competition. With this Crown Finalist selection, the 2025 Lanidrac yearbook also earned induction into the Walsworth President’s Collection, which honors the yearbooks that earn CSPA Crown and NSPA Pacemaker awards each year. The CSPA Crown Finalist and NSPA Pacemaker awards are the top awards in the nation for high school yearbooks. This is the Lanidrac yearbook staff’s first time winning a Crown Finalist or a spot in the Walsworth President’s Collection. In addition, the staff earned the national Walsworth Gallery of Excellence, NSPA Best of Show 4th place in the 144-239 page category, and the Missouri Interscholastic Journalism Association

(MIJA) All-Missouri Award. Please congratulate the following 2025 Lanidrac Yearbook staff members on these accomplishments: **Editors: Aleah Johnson**, Editor-in-Chief and Design Editor; **Aubry Allen**, Managing Editor and Social Media/Marketing; **Brenna Ayers**, Senior Salutes, Business/Ads Manager, Fun Coordinator and Photo Editor; **Megan McFall**, Groups/Teams Editor and Fun Coordinator; **Kaydence Schwab**, Fun Coordinator, Social Media/Marketing and Asst. Design Editor. **Staff Members:** **Jada Beattie** (12), **Brooks Blair** (12), **Jilliyn Busby** (12), **Gracie Cox** (12), **Brogan Crawford** (12), **Madi McFall** (12), **Kaitlynn Starliper** (12), **Cadence Sullard** (11), **Paxton Warren** (12), **Kadence Knutson** (11) and **Carlie Templeton** (11).

LAWSON BAND PROGRAM HIGHLIGHTS:

A Musical Start to the New Year

SAM RILEY
LMS/LHS Band Teacher

The Lawson Band Program had a great first semester! The Blazing Cardinal Marching Band started the year off strong with three successful competitions:

55TH ANNUAL CARROLLTON BAND DAY
Indoor Color Guard: 1st Place
Field Show: 2nd Place
- Best in Class Field Show Color Guard Award
Indoor Drumline: 5th Place

ODESSA MARCHING INVITATIONAL
Field Show: 1st Place
- Music - Best In Class Award
- Color Guard - Best in Class Award
- Visuals - Best In Class Award
- Effect - Best In Class Award
(Lawson won each of the available Caption Awards)
Indoor Color Guard: 1st Place
Indoor Drumline: 2nd place

CAMERON MARCHFEST
Field Show: 1st Place
Indoor Color Guard: 1st Place
Indoor Drumline: 1st place

We also had many students be very successful with their individual District and State events!

INDIVIDUAL HONORS
ALL-DISTRICT BAND RESULTS
Addy Hussey (8) - 1st Chair Tenor Sax, Junior High Jazz Band
Killian Barnt (8) - 1st Chair Bari Sax, Junior High Jazz Band
Nate Ferguson (8) - 3rd Chair Trumpet, High Jazz Band
Kadeyn Dauma (8) - Alternate (3rd Chair) Drum Set, Junior High Jazz Band
Aiya Warren (8) - 7th Chair Clarinet, Junior High Band
Killian Barnt (8) - 1st Chair Bari Sax, Junior High Band
Jadon Hussey (12) - Alternate (5th Chair) Trumpet, High School Jazz Band
Jadon Hussey (12) - 3rd Chair Trumpet, High School Concert Band
Alexa Jones (9) - 11th Chair Clarinet, High School Concert Band
Paxton Warren (12) - 14th Chair Clarinet, High School Concert Band
Kannon John Dobson (10) - 2nd Chair Tuba, High School Concert Band
Gabrielle Knoch (12) - 2nd Chair Alto Clarinet, High School Honor Band

ALL-STATE BAND RESULTS
Gabrielle Knoch (12) - Honorable Mention (4th) Alto Clarinet

UPCOMING CONCERTS
We invite the entire Lawson community to some of our upcoming performances—Mark your calendars!

7th, 8th, & High School Band Concert
Feb. 26, 2026
Sellers Performing Arts Center
7 p.m.

6th, 7th, 8th, & High School Band Concert
May 7, 2026
Sellers Performing Arts Center
7 p.m.

JOINING THE BAND
We would love to have your student in the band! If you would like more information, please feel free to reach out to Mr. Riley at rileys@lawsoncardinals.org.

STAY INFORMED
Follow us on Facebook to keep up with everything going on in the Lawson Band!

Lawson High School: HOOPS FOR HOPE

On Dec. 22, 2025, the girls basketball team hosted the 3rd Annual Hoops for Hope. This event brought 11 visiting schools to play six girls games all while raising money for breast cancer research. Coach Lisa Glenn created the event after her own breast cancer diagnosis as a way to give back to the cancer community. Participating schools included Penney, Tina Avalon, West Platte, Stanberry, Maryville, Glasgow, St. Joe Christian, Fort Osage, Benton, Smithville, and Columbia Rock Bridge. In an effort to promote women in the sport of basketball 11 out of the 12 teams had female head coaches and 7 out of the 9 officials were females.

The Lawson Lady Cardinals took on the St. Joe Christian Lions in the second game of the day and came away with a big win, 56-24. As a result of raffles, vendors, half court shots, and a coin drive, the event raised \$4,024.67 to donate to the Triple Negative Breast Cancer Foundation. The girls basketball team looks forward to hosting this event again next year and continuing to grow the number of teams and the amount of money raised.

BASEBALL STADIUM LIGHT PROJECT COMPLETED

Let There Be Light...we are super excited to share photos of the upgraded lighting and pole replacement project at the district's Cardinal Baseball Stadium! This improvement has been on our wish list for many, many years. Following the assistance of Mother Nature with a couple of lightning strikes in the spring of 2025, and through the strategic use of investment dollars generated from the sound management of our No Tax Rate Increase Bond funds from the April 2024 campaign, we are thrilled to show off the results. We can't wait to see these lights in action and look forward to an exciting Lawson Cardinals baseball season! #WeAreLawson
