2021–2022

“FOR WHERE YOUR TREASURE IS, THERE WILL BE YOUR HEART ALSO.”

– *Matthew 6:21*

*A Letter from the Director of
Institutional Advancement
Mr. Angelo Milicia*

Dear Parents, Students, Alumni, and Friends of Camden Catholic High School,

It was such an honor to join the Camden Catholic community last year as Director of Academic Innovation. It has been fantastic to work with such a dedicated administration, faculty, and staff as we implemented innovation throughout our curriculum. Camden Catholic has a rich tradition of academic and spiritual excellence, and I am excited to play a role in shaping its future.

My role changed this summer when I was named Director of Institutional Advancement. Although I will miss the classroom, I am eager to help Camden Catholic live out its mission to the best of my ability and I look forward to meeting with as many of our loyal supporters as possible to ensure Camden Catholic continues to innovate while empowering our students to continue to excel both inside and outside of the classroom.

None of the outstanding accomplishments that we come to expect from the students at Camden Catholic High School would be possible without the generosity of our many benefactors across the nation and around the world. We are fortunate to have an extensive network of supporters: parents, staff, alumni, parents of alumni, and friends.

Together, we will collaborate to help Camden Catholic reach even greater heights as our school enters its 135th year with our attention focused on an exciting future.

Yours in Honor, Faith and Loyalty,

A handwritten signature in blue ink that reads "Angelo R. Milicia". The signature is fluid and cursive, with a long horizontal stroke at the end.

Angelo Milicia
Director of Institutional Advancement

2021–2022 Annual Giving

Creating A New Future

Thanks to the generosity of our benefactors, there have been several campus improvements that await our students for the 2022-23 academic year.

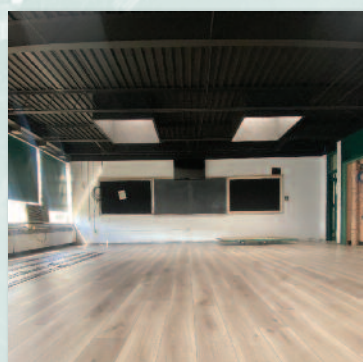

Baseball Batting Cage and a New Stadium Sound System

Supporting Irish Athletic success and fan experiences with strategic improvements.

Grandi Auditorium Sound System

Making the Arts at CCHS sing clearer than ever!

Renovated Art Classroom

A top to bottom overhaul of the Art Room with new floors, lighting, art tables and workstations.

Redesigned and Renovated Christian Ministry Classroom

Housing our CCHS Food Pantry, collaborative workstations and Fr. Joe inspirational signage.

St. Thomas Aquinas Innovation Lab

Additional work space added to allow for more student participation.

Classroom of the Future: Mr. Art Martin's Math Classroom

Featuring collaborative learning stations, movable desks and a new touchscreen board.

The Blessed Mother Grotto was created by **Emily Gallager '22** for her Senior Christian Ministry Project. CCHS hopes to add additional plantings to make this a comfortable place for prayer and reflection.

Interactive Classroom Touch Boards

Ideal for project-based learning, leading and presenting.

Susan Black Fitzpatrick Piano Lab

16 Pianos to be utilized for the new Fundamentals of Piano Class and music electives for writing and performing music.

New Electives Enhance the Irish Experience

As our world changes, so must CCHS grow its offerings to prepare our students to be global citizens and leaders. Among our newest additions to the curriculum are several courses which fulfill one of the most important aspects of our Strategic Plan, to provide an innovative academic program that allows all students to develop their God given talents.

DATA ANALYTICS

Data science is one of the nation's fastest-growing occupations. The U.S. Bureau of Labor Statistics projects that jobs in data science will grow by about 28% through 2026. Students will understand exploratory data analysis and statistical

concepts in-depth, including sampling, probability, probability density, and cumulative distribution functions, hypothesis testing, confidence intervals, and regression, data modeling, and machine learning. They will be making and evaluating data-based arguments.

INTRODUCTION TO CYBERSECURITY

Demand for cybersecurity professionals in the workforce is on the rise. The U.S. Bureau of Labor Statistics predicts cybersecurity jobs will grow 31% through 2029. Students will become familiar with the current cybersecurity

landscape and provide the knowledge of relevant tools to assess and manage security protocols in information processing systems.

GENETICS AND BIOTECHNOLOGY

Biotechnology remains one of the fastest-growing occupations, with a 27% growth rate predicted by 2028. This course will introduce students to the study of genetics by providing an overview of cell division

and the formation of gametes, basic Mendelian Genetics, extensions of Mendelian ratios, genetic variation, and recombinant gene technology. Problem-solving and Laboratory investigations will be an integral part of this course.

INSPIRE INTERNSHIP PROGRAM LAUNCHES

This year students had the opportunity to apply for CCHS internships in the areas of marketing and communications, athletics, athletic training, Campus Ministry and advancement. Over 20 students participated in the program following an application and interview process. They earned class credit and were able to gain experience in careers they are interested in.

Fatima Toure '23 said about her experience as a marketing intern: "This internship was an opportunity to expand my knowledge and skills. I was challenged to take on responsibilities, work as a team with my fellow interns, and step out of my comfort zone to try new things. It was also really fulfilling to do all of this in service to the Camden Catholic community to help publicize the school."

Marketing Intern Fatima Toure '23 practices in front of the camera during a publicity shoot with Fox29's Good Day Philadelphia.

Director of Marketing Kate Bieg with interns Anyah Griffin '23, Carly O'Callaghan '23, Fatima Toure '23 and Ellie Rabenhorst '23. Not pictured, Lily McBride '23

In addition, CCHS added a Freshman course requirement of Design Thinking which will provide a solid foundation on the principles of the design wheel and innovative design. In order to prepare students for problem and project based learning, the goals of this course will be to teach public speaking and project presentation skills needed for success in high school and beyond.

LET'S INNOVATE TOGETHER

Irish Giving Day

2022

Celebrating the many ways that CCHS has innovated since 1887, our Irish Giving Day theme of LET'S INNOVATE TOGETHER challenged our donors to help us innovate by funding new classrooms and continued evolution of our academic offerings.

Rain didn't stop the fun as our junior leprechauns Olivia Bent-Cole '23 and Matt Marino '23 joined bagpiper Thom Moore to welcome students and parents at drop off with Tastykakes and entertainment. Siblings and award-winning Irish dancers from the Emerald Isle School of Irish Dance, Luke Sooy and Maria Sooy, helped kick off the fun at the annual Irish Giving Day assembly. Also joining us was PHL17

reporter Alyssa Sullivan, who did a live broadcast from the halls of CCHS to cover Irish Giving Day and to give the bagpipers a try!

Alumni panelists Rachel Holland '96, Brian Fitzpatrick '87 and Molly Mullin Phillips '87 shared their "why" for giving back to CCHS, and offered advice to students on using their high school years as building blocks for successful futures. The day was filled with fun as students wrote thank you notes to donors, the CCHS Baking Club sold Irish treats and our friendly leprechauns delivered sweet surprises (thanks to Marty Casserly) and savory Shamrock pretzels (thanks to A&A Pretzels) to each of our faculty members.

SHAMROCK SOCIETY

MEMBERS MAKE A DIFFERENCE

The Shamrock Society is a premier annual giving club supporting The Fund for Camden Catholic. Annual support of The Fund enables us to provide necessary improvements to our academic departments, arts groups, and athletic teams. It also provides funding to award scholarships and financial assistance to our students with demonstrated financial need. Approximately 30% of our students receive some form of financial assistance, which all comes from contributions to The Fund.

To Become a Member

Make a gift or pledge of \$1,000 or more to the Annual Fund during our fiscal year beginning July 1st and ending June 30th.

A pledge of \$84 a month for 12 months is a \$1000 donation that can help a student afford a Camden Catholic education.

Membership Benefits

- Invitation to select home games and special events
- Recognition in Shamrock Society listing within the Annual Report and at Hall of Fame event
- Quarterly state of the school letter from the President.

Thank You!

Thanks to our 44 alumni who are LOYAL donors for 20 years or more for a total given of \$580,640 on average of \$24,346 per year given. Catherine McAuley once said, "We should all be shining lamps giving light around us." Thanks to all of our most loyal supporters for shining their lamps for all of us to follow!

We have marked *Parents* as specific years but we do not have enough info to note all grandparents. We would like to do this in the future. Please email Kayleigh Bianchini at kayleigh.bianchini@camdenccatholic.org if you are a grandparent of a current or past student. We can then recognize all of our wonderful grandparents who are helping the Camden Catholic community.

Susan Black Fitzpatrick '85 Piano Lab Debuts

In honor of the 100th anniversary of spring musicals which took place in April 2022, our loyal alumnus and ardent supporter of The Arts at CCHS, Mr. Brian Fitzpatrick '85, blessed Camden Catholic with the gift of the Susan Black Fitzpatrick '85 Piano Lab. Completed this August, the Lab was also supported by a generous donation from Drs. Barbara and John '69 Kelly and Dr. Joseph and Mrs. Patricia (Kelly) Kuchler '66 in memory of Jeremiah "Jerry" '35 and Theresa McReady '39.

The Lab houses 16 piano keyboards plus an instructional hub and the Piano Class will kick off this September. Be sure to stop by the former choir room in the arts hallway to see the incredible transformation!

It is such a great honor to give back to the CCHS music and performing arts department in the memory of my late wife Susan Black Fitzpatrick. She played the piano here from 1982 to 1985 under the direction of Joe Gianfortune and this piano lab represents the love she had for the piano, Mr G and the Music Department. CCHS is a very special place and it is my fervent wish that this piano lab further advance the students who utilize this great resource and that the program continues to flourish and grow to new heights of excellence. God Bless Mr Greg Gardner whose amazing idea this was to create this lab and God Bless Camden Catholic.
-Mr. Brian Fitzpatrick '85

Jeremiah "Jerry" Kelly, Class of 1935, and Theresa McCready Kelly, Class of 1939, cherished their years at Camden Catholic High School, as did their children. The family, Drs. John, Class of 1969, and Barbara Kelly, Dr Joseph and Mrs. Patricia (Kelly) Kuchler, both Class of 1966, and Mr. Robert Kelly decided they wanted to make a donation to CCHS to commemorate their parents. When the opportunity to support the new piano lab was presented, it seemed like the perfect fit. Throughout his life Jerry used to love to sit down at the piano and reminisce about playing while at CCHS, and Theresa would proudly tell us what a talented pianist he had been. When we found a copy of his piano report card from May 1933 where Sr. Maria Corde at Mt St Joseph Conservatory in Chestnut Hill, PA gave him a B+ (before grade inflation), we felt convinced that this was a wonderful way to remember Jerry and Theresa.
-Dr. Barbara Kelly

There are so many ways to make a difference. Which will you choose?

THE ANNUAL FUND

The greatest number of gifts to CCHS are unrestricted cash donations to the Annual Fund. Annual Fund gifts can also be restricted to tuition assistance, arts or athletics, including specific sports. These gifts make strides toward helping us maintain a competitive value proposition for families seeking a Catholic education for their children.

The Shamrock Society

The Shamrock Society is our giving club for donors who contribute \$1,000 or more to the Annual Fund each year. Members of this society send an outward message that they know Camden Catholic and its students are a worthy investment.

Tuition Assistance

Approximately one third of our students receive some form of tuition assistance based on a standardized assessment of financial need. Your gifts help each of our families continue to choose Catholic education. All recipients are chosen based upon academic performance and demonstrated financial need.

Why Tuition Assistance Matters

For years, the Sisters of Mercy were able to contribute their services to Camden Catholic High School to reduce the cost of tuition, thereby making a Catholic education affordable for families. Today, the rising costs of healthcare and technology attribute to a higher cost of education, and tuition must be increased accordingly.

What can I do?

- Contribute to tuition assistance and you will afford a student the opportunity to find themselves, uncover talents, grow academically and spiritually, and develop leadership skills for a 21st century world.
- Named scholarships can both support a student and honor a living individual, family, group, or memorialize a loved one.

Other Ways To Contribute

Stock – Camden Catholic accepts gifts of securities, please contact the Advancement Office for required forms.

Matching Gifts- Many corporations now support private secondary education through matching gifts. Check to see if your company offers a matching gift program, and multiply the impact you're already making at Camden Catholic.

In Memoriam - You, or your family, can choose to recommend gifts to Camden Catholic in lieu of flowers within an obituary. If you wish the gifts to be restricted to a specific purpose please contact the Advancement Office at the time of the obituary's publication.

LEGACY GIVING

Please call the Advancement Office at 856-663-2247 for more information on ways to make a lasting contribution to Camden Catholic.
