VI. Public Comment

The Board of Education invites you to feel comfortable in sharing matters of interest or concern about the District. For those of you who wish to address the Board, we ask that you sign-in and the Board President will call on you.

Those items brought to the attention of the Board during this time may be taken under consideration for future response or action. We ask that individual comments be limited to three (3) minutes in order to accomplish the evening's agenda. Visitors should not expect an immediate Board response to their comments or questions. Public comment time is limited to 20 minutes.

Comments relative to personnel or students are inappropriate to address in open session and will not be allowed. We respectfully ask that issues related to specific school district personnel or students be brought to the attention of the Superintendent privately.
